1.2 Incentive Compensation

1.2.1 Total Credits

Subject to the terms outlined in this Program, each month an Advisor will be allocated Total Credits based on his/her Credit Rate and Creditable Revenue. The applicable Credit Rate for each Advisor is based on two factors: (1) the Advisor's Trailing 12-month Gross Revenue and (2) his/her Length of Service ("LOS"), as shown in the Credit Rate Schedule below.

Credit Rate Schedule (%)

Trailing 12-month Gross Revenue ($)	For All Length of Service
300,000–359,999	36.0%
240,000–299,999	35.0

Advisors with a Length of Experience ("LOE") of Nine or More Years[4]

Trailing 12-month Gross Revenue ($)	For All Length of Service
0–299,999	20.0%

An Advisor's Credit Rate will be determined monthly pursuant to the foregoing schedule based on the Advisor's Trailing 12-month Gross Revenue and LOS as of the prior month-end (and subject to any election to participate in the Alternative Flexible Grid ("AFG") Program as described in Section 3.4 of this Program). The Advisor's Total Credits for each month will be determined based on the applicable Credit Rate set forth in the foregoing schedule multiplied by the Creditable Revenue generated in such month.

[3] For all Advisors with an LOE of less than five years, this schedule will apply to the three specified Trailing 12-month Gross Revenue bands, rather than the standard Credit Rate Schedule

[4] For all Advisors with an LOE of nine or more years, this schedule will apply to the specified Trailing 12-month Gross Revenue band, rather than the standard Credit Rate Schedule

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

If the Advisor reaches a new Trailing 12-month Gross Revenue band in the Credit Rate Schedule during a given month-end evaluation, the Credit Rate of the newly achieved Trailing 12-month Gross Revenue band will apply to Creditable Revenue generated in the subsequent month only and will NOT apply retroactively.

If the Advisor reaches a new LOS band in the Credit Rate schedule during a given month-end evaluation, the Credit Rate of the newly achieved LOS band will apply to Creditable Revenue generated in the subsequent month and will NOT apply retroactively. The new LOS band will be used prospectively to determine applicable monthly Credit Rates.

Advisors with an LOE of nine or more years as of January 1st, 2018 who have less than $300,000 in Trailing 12-month Gross Revenue, as of December 2017 month-end, will receive a monthly Credit Rate of 20.0% until the Advisor generates Trailing 12-month Gross Revenue of $300,000 or more during a given month-end evaluation, at which point the Advisor's monthly Credit Rate will be determined by the Credit Rate Schedule for the remainder of the calendar year.

Total Credits = Cash Credits + Deferred Credits

1.2.2 Deferred Compensation

A percentage of monthly Total Credits are allocated to the Advisor as Deferred Credits based on a Deferral Ratio determined by the Advisor's Trailing 12-month Gross Revenue, as shown in the Deferral Ratio Schedule below.

Deferred Credits = Total Credits × Deferral Ratio

Deferral Ratio Schedule

Trailing 12-month Gross Revenue ($)	Deferral Ratio (%)
5,000,000+	15.5
3,300,000–4,999,999	14.0
2,750,000–3,299,999	13.0
2,400,000–2,749,999	12.5
1,800,000–2,399,999	11.5
1,200,000–1,799,999	10.0
975,000–1,199,999	8.5
900,000–974,999	7.5
725,000–899,999	6.5
600,000–724,999	5.5
485,000–599,999	5.0
425,000–484,999	4.0
360,000–424,999	3.5
300,000–359,999	2.5
240,000–299,999	1.5
0–239,999	1.5

An Advisor's Deferral Ratio is determined monthly based on Trailing 12-month Gross Revenue as of the prior month-end. The Deferral Ratio will be applied to Total Credits in a given month to determine monthly Deferred Credits.

If the Advisor reaches a new Trailing 12-month Gross Revenue band in the Deferral Ratio schedule during a given month-end evaluation, the Deferral Ratio of the newly achieved Trailing 12-month Gross Revenue band will apply to Total Credits generated in the subsequent month-end and will NOT apply retroactively.

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

The cumulative value of all monthly Deferred Credits for 2018 will generally be granted to the Advisor in the form of a deferred compensation award shortly following year-end (provided the Advisor is employed on the grant date). Twenty-five percent of the cumulative monthly Deferred Credits will be granted in the form of a restricted stock unit award that is scheduled to convert to shares of Morgan Stanley common stock approximately four years from the grant date and seventy-five percent of the cumulative monthly Deferred Credits will be granted in the form of a cash-based deferred compensation award scheduled to be paid approximately six years from the grant date. The remaining terms and conditions of the deferred compensation awards, including termination of employment and cancellation provisions, will be determined by the Compensation, Management Development and Succession Committee of Morgan Stanley's Board of Directors on or prior to the grant date and will be set forth in the applicable award documentation. Deferred compensation awards are contingent upon the Advisor remaining employed through the grant and vesting dates of the award.

If the initial value of an Advisor's cumulative monthly Deferred Credits for 2018 is less than $1,000, such Deferred Credits will not be granted as a deferred compensation award, but will instead be paid in cash on the date 2018 year-end bonuses are paid to Firm employees generally (and in no event later than March 15, 2019), contingent on the Advisor's continued employment in good standing through the payment date.

Advisors with an LOE of nine or more years as of January 1st, 2018 who have less than $300,000 in Trailing 12-month Gross Revenue, as of December 2017 month-end, will receive a monthly Deferral Ratio of 0%. If the Advisor generates Trailing 12-month Gross Revenue of $300,000 or more during a given month-end evaluation, the Advisor's monthly Deferral Ratio will be determined by the Deferral Ratio Schedule for the remainder of the calendar year.

Deferred compensation awards are not intended to provide for retirement income.

Financial Advisor Associates ("FAAs") are not eligible to receive year-end deferred compensation awards.

1.2.3 Cash Compensation

Total Credits remaining after Deferred Credits are allocated are then awarded to the Advisor as Cash Credits. An Advisor's Cash Credits are calculated monthly.

Cash Credits = Total Credits – Deferred Credits

Example:

An Advisor with a Length of Service ("LOS") of 15 years produces $800,000 in Trailing 12-month Gross Revenue as of May 31, 2018. The Advisor's Creditable Revenue for June 2018 is $70,000.

- Credit Rate is 44.0%
- Monthly Total Credits are $30,800 [$70,000 × 44.0% = $30,800]
- Monthly Deferred Credits are $2,002 [$30,800 × 6.5% = $2,002]
- Monthly Cash Credits are $28,798 [$30,800-$2,002 = $28,798]

Calculation of Cash Credit

Cash Credit is the amount by which monthly Cash Credits exceed Advisor salary for the month. An Advisor whose monthly Cash Credits do not exceed his/her salary for the month is not eligible to receive Cash Credit. An Advisor's Cash Credit is calculated monthly and is paid in arrears on a monthly basis. Cash Credit is calculated based on the following:

1) Gross Revenue – Revenue attributable to the Advisor that is inclusive of his/her Revenue Share

2) Trailing 12-month Gross Revenue – Gross Revenue attributable to the Advisor, as of the prior month-end, generated over the preceding twelve months; e.g. June 2018 Trailing 12-month Gross Revenue is the aggregate Gross Revenue generated during the twelve consecutive months between June 2017 and May 2018

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

3) Creditable Revenue – Gross Revenue attributable to the Advisor that is in excess of his/her Revenue Share

4) Revenue Share – Gross Revenue that is allocated to support staff through Revenue Share arrangements

5) Grid Revenue – Revenue for which Credits are determined based on the Credit Rate Schedule, which includes revenue subject to the Discounting Policy. Grid Revenue does not include Flat-Rate Revenue (for which Credits are determined based on a flat Credit Rate) or 0% Revenue (for which Credits are determined based on a 0% Credit Rate)

6) Credits – Advisors are allocated monthly Credits based on the Credit Rate Schedule (Section 1.2.1) and Credit Rate Schedule Exceptions (Section 1.2.6)

7) Credit Adjustments – Credits are adjusted upwards or downwards to reflect Incentive Compensation for which the Advisor did not receive proper Credits, or for which the Advisor received prior Credits that he/she should not have received. Under no circumstances is an Advisor to be allocated Credits or maintain Credits for transactions that were canceled, that did not close, that were reversed, and/or where the Advisor was allocated Credits in error

8) Total Credits – Aggregate of monthly Credits and Credit Adjustments as described in items 6 and 7 above

9) Deferred Credits –Monthly Total Credits multiplied by the Advisor's Deferral Ratio as defined in the Deferral Ratio schedule (Section 1.2.2)

10) Total Deferred Credits – Aggregate of monthly Deferred Credits as described in Section 1.2.2

11) Cash Credits – Monthly Total Credits, less monthly Deferred Credits, that are in excess of the Advisor's monthly salary

12) Total Cash Credits – Aggregate of monthly Cash Credits as described in Section 1.2.3

13) Length of Service ("LOS") – The number of whole years that an Advisor has been employed by Morgan Stanley Wealth Management on or after June 1, 2009 plus the number of whole years that the Advisor was employed by either legacy Morgan Stanley or legacy Smith Barney immediately preceding his/her employment with Morgan Stanley Wealth Management, rounded down to the nearest whole year. LOS will not include any period of employment preceding employment at the immediately prior legacy firm, including prior employment at either Morgan Stanley or Smith Barney. LOS for all purposes related to Advisor Compensation shall be defined exclusively as set forth in this paragraph and without reference to any other LOS definition that the Firm may apply in other contexts, including, for example, for purposes of certain benefits calculations

14) Length of Experience ("LOE") – The number of whole years that an Advisor has been a Registered Representative in the industry; calculated by subtracting the year of registration from the current year and subtracting "1" from the resulting number

Under no circumstances shall an Advisor be eligible to receive any Incentive Compensation under this Program unless and until the Incentive Compensation calculation is made and the Advisor meets all other conditions for receipt of such Incentive Compensation as determined by Morgan Stanley Wealth Management. In the event an Advisor who has been advanced Incentive Compensation because of fees that were charged to a customer in advance terminates employment with the Firm, the Advisor's allocated Total Credits in the final month of employment will be adjusted to account for the unearned portion of the advanced Cash Credits. In addition, an Advisor is obligated to repay Morgan Stanley Wealth Management any outstanding advanced, but unearned, Incentive Compensation after termination of employment.

Morgan Stanley Wealth Management expects its Advisors to demonstrate excellent guardianship at all times, including demonstrating the utmost professionalism and upholding the highest ethical and regulatory standards and its Incentive Compensation programs are premised on that expectation. Accordingly, Morgan Stanley Wealth Management reserves the right, on notice to the impacted individual, to make prospective

downward adjustments to an individual Advisor's Credit Rate, or to make other downward adjustments as part of the calculation of Incentive Compensation at any time, where, in its sole judgment, such an adjustment is warranted based on the Advisor's conduct. The determination as to whether a downward adjustment is warranted on account of guardianship issues will be made by Morgan Stanley Wealth Management in its sole discretion, but may include, for example, significant trade errors, excessive or significant customer complaints, regulatory or ethical lapses, or other conduct that is determined to be contrary to the best interests of the clients or the Firm.

1.2.4 Team Compensation

In 2018, the Firm will continue to provide the opportunity for eligible Team members to receive an increased Credit Rate based on the Individual Eligibility or Team Eligibility Criteria below.

For purposes of Team Compensation, a Team eligible for Team Compensation must consist of two or more Advisors who each derive at least 50% of their individual Trailing 12-month Gross Revenue from business generated in JPN(s) they share with each other.

Individual Eligibility

To be considered for Team Compensation through Individual Eligibility, an Advisor must meet the following criteria:

- Be a Team eligible for Team Compensation, defined as each Team member generating at least 50% of their individual Trailing 12-month Gross Revenue from business generated in JPN(s) they share with each other
- Generate Trailing 12-month Gross Revenue at or above the 50th percentile by industry Length of Experience ("LOE") thresholds[5] as published on the 2018 Advisor Compensation website
- Generate at least 10% of the Team's aggregate Trailing 12-month Gross Revenue OR if the Team's aggregate Trailing 12-month Gross Revenue is greater than $3,000,000, generate at least 5% of the Team's aggregate Trailing 12-month Gross Revenue

Team Eligibility

The Team as a whole can also qualify for Team Compensation through Team Eligibility. To be considered for Team Eligibility, the Team must meet the following criteria:

- Be a Team eligible for Team Compensation, defined as each Team member generating at least 50% of their individual Trailing 12-month Gross Revenue from business generated in JPN(s) they share with each other
- Generate aggregate Trailing 12-month Gross Revenue of at least $2,500,000 AND have average Gross Revenue per Advisor of at least $750,000

Once a Team has qualified for Team Compensation through Team Eligibility, the following will apply to each new Advisor who joins the Team:

- If average Trailing 12-month Gross Revenue per Advisor is at least $750,000 when the new Team member is added, the new Team member will also qualify for Team Compensation through Team Eligibility
- If average Trailing 12-month Gross Revenue per Advisor falls below $750,000 when the new Team member is added, the new Team member will be excluded from Team Eligibility calculations and will not qualify for Team Compensation through Team Eligibility
  - Team Eligibility for existing Team members will not be affected
  - The new Team member may qualify for Team Compensation through Individual Eligibility criteria

[5] Advisor with the highest Gross Revenue on the Team must also generate Trailing 12-month Gross Revenue at or above the 50th percentile threshold by LOE band

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

SECTION 1: Compensation Programs

Advisors eligible for Team Compensation will receive the Credit Rate, determined monthly, that corresponds to:

- The Trailing 12-month Gross Revenue band of the Advisor on the Team with the highest Trailing 12-month Gross Revenue; AND
- The lower LOS band between (i) the Advisor on the Team with the highest Trailing 12-month Gross Revenue and (ii) the Advisor eligible for Team Compensation

Eligible Advisors will receive the Deferral Ratio that corresponds to the Trailing 12-month Gross Revenue band of the Advisor on the Team with the highest Trailing 12-month Gross Revenue.

An Advisor's individual Credit Rate cannot be reduced because of Team Compensation, nor can an Advisor's Team Compensation Credit Rate be greater than the Credit Rate of the Advisor on the Team with the highest Trailing 12-month Gross Revenue.

Advisors who meet the Individual Eligibility requirements or the Team Eligibility requirements for Team Compensation described above at any time during 2018 will be eligible for Team Compensation beginning the month following his/her qualification. Advisors will receive Team Compensation prospectively through the end of the year, provided the Team continues to satisfy the requirements identified above, but will NOT be awarded Team Compensation retroactively.

Team Compensation is not extended to Advisors outside of a Team relationship, to members of a Team that subsequently dissolves, or to Advisors who leave a Team relationship. In such instances, an Advisor's Credit Rate and Deferral Ratio will revert to his/her individual Credit Rate and Deferral Ratio.

Team Compensation Example 1:

The following Advisors are on a Team for all of 2018 and generated Trailing 12-month Gross Revenue at or above their respective 50th percentile by LOE thresholds:

- Advisor #1 produces $1,500,000 of Trailing 12-month Gross Revenue, as of June month-end, and has LOS of 20 years; the associated Credit Rate is 48.0% and Deferral Ratio is 10.0%
- Advisor #2 produces $400,000 of Trailing 12-month Gross Revenue, as of June month-end, and has LOS of 4 years; the associated Credit Rate is 36.0% and Deferral Ratio is 3.5%

Advisor #2's Credit Rate will be determined using Advisor #1's Trailing 12-month Gross Revenue band and Advisor #2's LOS band. Therefore, Advisor #2's Credit Rate in July will be 45.5% and Deferral Ratio will be 10.0%.

Team Compensation Example 2:

The following Advisors are on a Team for all of 2018 and generated Trailing 12-month Gross Revenue at or above their respective 50th percentile by LOE thresholds:

- Advisor #1 produces $1,200,000 of Trailing 12-month Gross Revenue, as of August month-end, and has LOS of 5 years; the associated Credit Rate is 46.0% and Deferral Ratio is 10.0%
- Advisor #2 produces $500,000 of Trailing 12-month Gross Revenue, as of August month-end, and has LOS of 7 years; the associated Credit Rate is 41.5% and Deferral Ratio is 5.0%

Advisor #2's Credit Rate will be determined using Advisor #1's Trailing 12-month Gross Revenue band and Advisor #1's LOS band. Therefore, Advisor #2's Credit Rate for September will be 46.0% and Deferral Ratio will be 10.0%

SECTION 1: Compensation Programs

Recruits

Recruits will be treated in the same manner as an established Advisor by evaluating the Trailing 12-month Gross Revenue listed on their recruit paperwork against the published 50th percentile by LOE threshold.

Financial Advisor Associates ("FAAs")

FAAs are not eligible for Team Compensation while participating in the FAA program.

Teams[6] that partner with an FAA will be eligible for Phantom Gross Revenue[7], based on the amount of Gross Revenue that the FAA[8] generates in the Team. To receive Phantom Gross Revenue, a non-FAA Team member must generate at least $500,000 in Trailing 12-month Gross Revenue and have LOE greater than or equal to 5 years. Non-FAA Team members and the FAA must also generate at least 50% of their individual Trailing 12-month Gross Revenue from JPN(s) shared with the Team or be on bypass towards achieving the 50% threshold.

The maximum amount of Phantom Gross Revenue that non-FAA Team members can receive in aggregate is:

- Up to $30,000 while FAA is in production months 1-12
- Up to $20,000 while FAA is in production months 13-24

Phantom Gross Revenue will be allocated to non-FAA Team members based on current JPN split percentages, excluding the FAA's portion from the total. FAAs will not be eligible for Phantom Gross Revenue.

Team Compensation Example 3:

The following two Advisors are on a Team and partner with an FAA:

- Advisor #1 and Advisor #2 both have LOS of 10 years, $1,200,000 in Trailing 12-month Gross Revenue and a 40% split on the Team
- FAA joins the team in production month 1, produces $70,000 in Trailing 12-month Gross Revenue by production month 12, and has a 20% split on the Team

Advisors #1 and #2 will receive the full $30,000 in Phantom Gross Revenue. Excluding the FAA's portion of the Team's current JPN split, Advisors #1 and #2 both have a 50% split of the Phantom Gross Revenue. Therefore, Advisors #1 and #2 will receive $15,000 each in Phantom Gross Revenue.

[6] Includes Teams who intend to form a Team but are 6 to 9 months from materializing
[7] Phantom Gross Revenue is revenue with 0% Credit Rate and is included in annual Gross Revenue to determine an Advisor's Credit Rate and Deferral Ratio, BDA/DPWA, club qualifications, and titles
[8] Phantom Gross Revenue will not be awarded on Gross Revenue generated by a FAA(s) designated as Does Not Meet ("DNM") requirements

1.2.6 Credit Rate Schedule Exceptions

Advisor / Advisor-Related Retirement Accounts

All transactions in retirement accounts categorized as Advisor or Advisor-related will not be eligible for compensation. Advisor / Advisor-Related accounts include all accounts where the accountholder is the Advisor's spouse, child, financial dependent, or other relation whose account(s) the Advisor could reasonably be expected to influence or control[9]. Retirement accounts include traditional, Roth, SIMPLE, and SEP Individual Retirement Accounts ("IRAs"); 403(b) plans; Versatile Investment Program ("VIP") accounts; Retirement Plan Manager ("RPM") accounts; Coverdell Education Savings Account ("ESA"); and other Retirement Planning accounts. All transactions in non-retirement accounts categorized as Advisor or Advisor-related will be eligible for compensation.

Equity, Options, and Choice Select Discounting

In situations where an Advisor exercises discretion to offer a discount to the client, the Advisor's Credit Rate will be reduced per the Discretionary Discounting Schedule below, subject to a minimum 10% Credit Rate. Discounting on cents-per-share trades will be converted to a percentage discount for proper application.

Discretionary Discounting Schedule Summary

Pricing	Credit
Discount of 0% up to 10%	Credit Rate minus 60bps per 1% of Discount over 0%
Discount over 10% and up to 30%	Credit Rate minus 45bps per 1% of Discount over 10%
Discount over 30% and up to 45%	Credit Rate minus 40bps per 1% of Discount over 30%
Discount greater than 45%	Credit Rate minus 25bps per 1% of Discount over 45%

Futures and Commodities Discounting

In situations where the Advisor exercises discretion to offer a discount to the client, the Advisor's Credit Rate will be reduced as per the tables below, subject to a minimum 10% Credit Rate.

Summary Table

Commission Per Half-Turn Contract	Credit
Above and equal to $18.00	Credit Rate
Less than $18.00	Credit Rate minus 1% for each dollar, or portion of dollar, of commission per half-turn under $18.00

Below is a detailed table showing the exact impact to Credit allocation based on level of discount:

Detailed Table

Commission Per Half-Turn Contract	Credit Rate Reduction	Commission Per Half-Turn Contract	Credit Rate Reduction
$17.00 to $17.99	1.0%	$8.00 to $8.99	10.0%
$16.00 to $16.99	2.0%	$7.00 to $7.99	11.0%
$15.00 to $15.99	3.0%	$6.00 to $6.99	12.0%
$14.00 to $14.99	4.0%	$5.00 to $5.99	13.0%
$13.00 to $13.99	5.0%	$4.00 to $4.99	14.0%
$12.00 to $12.99	6.0%	$3.00 to $3.99	15.0%
$11.00 to $11.99	7.0%	$2.00 to $2.99	16.0%
$10.00 to $10.99	8.0%	$1.00 to $1.99	17.0%
$9.00 to $9.99	9.0%		

Discounting below $1.00 per Half-Turn Contract is only allowed with prior approval from Capital Markets, and will result in a 17.0% Credit Rate reduction.

Example:

If an Advisor with a Credit Rate (based on the Credit Rate schedule) of 36% executes 10 Futures or Commodities contracts with half-turn commission of $10.25 per contract, the Credit Rate on this trade would be 28.0% [36.0% - 8.0% = 28.0%].

The Futures and Commodities Discounting policy shall not apply to tickets of $350 or more where the half turn is $5.00 or greater.

OneView Exemption on Small Households Policy[11]

Any Gross Revenue from a client Household that is enrolled in OneView is eligible for exemption from the Small Households Policy provided that it meets the below criteria. This exemption eligibility from the Small Households Policy will apply for two years from the first day of the month following the date of the client's enrollment in OneView, regardless of the initial combined asset level in the Household or whether any transactions have occurred at the time of enrollment. At the end of two years, only assets held at Morgan Stanley will be considered, in accordance with the terms of the Small Households Policy in effect at that time.

Gross Revenue from Households enrolled in OneView that have less than $100,000 in Morgan Stanley assets but a combined asset level (external OneView assets[12] + Morgan Stanley assets) of greater than $250,000 for FAs ($10,000,000 for PWAs) will be exempt from the Small Households Policy.

If a Household enrolled in OneView (served ≥50% by FA(s)) has a combined asset level (external OneView assets + Morgan Stanley assets) of greater than $250,000, but subsequently falls below the $250,000 threshold for four consecutive months, the Household will be subjected to the Small Households Policy until its combined asset level becomes greater than $250,000 again. The exemption eligibility period will remain as two years from the client's initial enrollment in OneView (i.e. the exemption eligibility period will not restart based on changes in the combined asset level).

For example, in February 2018 a client enrolls in OneView for the first time, with a total of $90,000 in Morgan Stanley assets and $200,000 in OneView assets. Starting with February month-end processing, the Household (which is served ≥50% by FA(s)) is eligible for exemption from the Small Households Policy. The two-year eligibility exemption period will begin March 2018 and last through the end of February 2020.

[11] Morgan Stanley reserves the right to modify or terminate this exemption at any time, in its sole discretion, and apply such modification or termination immediately to affected households

[12] Does not include manual entries; only the account types included by Morgan Stanley for asset calculations will be considered for OneView external asset inclusion

Equity Syndicate

For Households where 70% or more of Trailing 12-month Gross Revenue is generated by Equity Syndicate business, Advisors will receive a flat 20% Credit Rate on Equity Syndicate revenue. For Households where less than 70% of Trailing 12-month Gross Revenue is generated by Equity Syndicate business, Equity Syndicate Gross Revenue will be credited at the standard Credit Rate (see Section 1.2.1) and all other Credit Rate Schedule exception policies will apply.

The ratio of Equity Syndicate Gross Revenue to total Gross Revenue from a specific Household is calculated on a rolling 12-month basis at the end of each month. For example, if a Household generates $10,000 in Trailing 12-month Gross Revenue between May 2017 and April 2018, of which $8,000 is from Equity Syndicate business (80%), then any Equity Syndicate Gross Revenue from that Household for the month of April 2018 will be credited at a flat 20% Credit Rate. However, if at the end of the following month (May 2018) the same Household's Trailing 12-month Gross Revenue is $12,000, of which $8,000 is from Equity Syndicate business (~67%), all Equity Syndicate business will be credited at the standard Credit Rate for the month of May 2018 and all other Credit Rate Schedule exception policies will apply; there will be no retroactive Credit back to April 2018.

"Equity Syndicate" business refers to equity syndicate Initial Public Offerings ("IPOs"), secondary offerings, follow-ons, and block trades. This policy does not affect selling concessions on structured investments, fixed income syndicate, preferred new issues, closed-end fund IPOs, or municipal syndicate offerings.

Non-Resident Client ("NRC") Business

NRC business includes all business done in accounts held by individuals or entities with a non-U.S. legal address on the account (excluding Stock Option Plan ("SOP"), Cashless Exercise ("CSX"), and Directed Share Business ("DSB") accounts).

All NRC accounts[15] must be held by an International Client Advisor ("ICA") or in a JPN where an ICA(s) receives at least 70% of the Gross Revenue split from that JPN[16]. Gross Revenue generated by NRC accounts that do not comply with this policy will be subject to a 0% Credit Rate.

The Credit Rate applicable to Gross Revenue generated by NRC accounts will be three percentage points lower than the Credit Rate reflected on the standard Credit Rate Schedule. The maximum impact to 2018 Total Credits will be the lower of $35,000 per individual Advisor or $70,000 per Team[17], after which the lower Credit Rate on NRC accounts will no longer apply.

Transactional Futures Business

Transactional Futures accounts must be held by a designated Futures Specialist or in a JPN where a designated Futures Specialist(s) is credited with at least 60% of the Gross Revenue split from that JPN. Gross Revenue generated by Transactional Futures accounts that do not comply with this policy will be subject to a 0% Credit Rate.

[15] Does not include U.S. expatriate accounts

[16] Accounts in households with greater than $5,000,000 in assets as of December 31st, 2015 may be held in a JPN where an ICA(s) receives at least 50% of the Gross Revenue split from that JPN

[17] For purposes of the Team cap, eligible Teams must consist of two or more Advisors who are on an approved Team and who each derive at least 50% of their individual Trailing 12-month Gross Revenue from business generated in JPN(s) they share with each other

Inherited Accounts

Accounts that are reassigned through the Account Redistribution System ("ARS") will earn a 0% Credit Rate for the calendar month of reassignment, and for the next three calendar months thereafter (the "Window Period"), except under the following situations:

- Former Advisors (i.e. retired Advisors) will continue to receive the Credit Rate pursuant to their executed Former Advisor Program ("FAP") documentation
- Households in the same JPN for at least 12 months immediately preceding reassignment through ARS
- Households that were in a JPN, or FA-number, with the remaining Advisor(s) before the Households' current, pre-reassignment, JPN was established

If at the end of this Window Period the Household's[18] ending asset value[19] is 50% or greater than the Household's initial asset value[20], then the Advisor will be eligible for Supplemental Inherited Account Compensation.

- Supplemental Inherited Account Compensation will be in the form of Credits, pursuant to this Compensation Plan, calculated based on the Advisor's Credit Rate at the end of this Window Period and the Gross Revenue generated by the reassigned Household(s) during the Window Period for which the Advisor had previously earned a 0% Credit Rate.

If at the end of this Window Period the Household's ending asset value is less than 50% of the Household's initial asset value, then the Advisor will not be eligible for Supplemental Inherited Account Compensation, but will be eligible to earn Credits, pursuant to this Compensation Plan, prospectively.

Example 1:

Advisor #1 receives a reassigned Household through ARS on April 20th, 2018 with the following characteristics:

- $1,000,000 in assets as of the reassignment date
- Generates $3,000 in Grid Revenue between April 20th, 2018 and July 30th
- $1,100,000 in assets as of July 31st, 2018

Advisor #1 is eligible for Supplemental Inherited Account Compensation since the Household asset level is at least 50% of the asset level as of the date of reassignment:

- The Advisor's July monthly Credit Rate is 36%
- Supplemental Inherited Account Compensation = $3,000 Grid Revenue * 36% Credit Rate
- Beginning August 1st, 2018, Advisor #1 will receive Credit on all Creditable Revenue associated with this Household prospectively

Example 2:

Advisor #2 receives a reassigned Household through ARS on July 19th, 2018 with the following characteristics:

- $500,000 in assets as of the reassignment date
- Generates $2,000 in Grid Revenue between July 19th, 2018 and October 31st,
- $100,000 in assets as of October 31st, 2018

Advisor #2 is not eligible for Supplemental Inherited Account Compensation since the Household asset level is below 50% of the asset level as of the date of reassignment:

- Supplemental Inherited Account Compensation = $0
- Beginning November 1st, 2018, Advisor #2 will receive Credit on all Creditable Revenue associated with this Household prospectively

[18] As defined by the Household Account Eligibility policy hosted on 3DR > Service > Accounts, Pricing & Reporting > Pricing And Householding
[19] Household asset value is determined as of the close of business on the second to last trade date of the third calendar month following the month of reassignment
[20] Household asset value is determined as of the close of business on the trade date immediately preceding reassignment through the Account Redistribution System

SECTION 2: Lending Growth Award

Lending Growth Award Calculation

2018 Lending Balance Growth will be calculated as follows:

Liquidity Access Line ("LAL" (excluding Letters of Credit), Express Credit Line ("ECL"), Tailored Lending, and Margin: For each Loan, pre-split outstanding daily balances will be averaged to calculate month-end balances in 2017 and 2018. Month-end balances in 2018 will be compared to the Loan's full-year 2017 average month-end balance to determine 2018 pre-split monthly balance growth. Month-end JPN split percentages will be applied to 2018 pre-split monthly balance growth to determine 2018 post-split monthly balance growth.

Margin balances that are not on the Retail Margin platform and are not reported/included on 3D Private Banking Home Page are not credited towards balance growth calculations.

Mortgage (excluding Home Equity Line of Credit ("HELOC")): Newly originated Morgan Stanley Private Bank, National Association ("MSPBNA") Mortgages closed and disbursed by December 28th, 2018 will be included in the Lending Growth Award (baselines will be zero for the purposes of calculating 2018 Lending Balance Growth). Only Mortgages for which Advisors are eligible for incentive compensation will be includable in the Lending Growth Award (i.e. Advisors must be dually employed by MSSB and MSPBNA and NMLS registered to have Mortgage(s) included in the calculation of any Lending Growth Award).

Notwithstanding the above, Employee Loans will be included in the Lending Balance Growth calculation, as specified below. An Employee Loan is a Mortgage secured by a U.S. property and closed and disbursed by MSPBNA to individuals who are full-time or part-time U.S. based employees of Morgan Stanley. A personal Mortgage for an Advisor is a Mortgage for which the Advisor is a named borrower/co-borrower/obligor in the Mortgage and is excluded as indicated below.

A Mortgage is closed at the time all loan proceeds for such Mortgage are disbursed to the named borrower/co-borrower/obligor in the Mortgage:

- An Employee Loan, which is booked in a Primary or Secondary number or a JPN, and is not a personal Mortgage for an Advisor in a Primary or Secondary number or a JPN will count toward Lending Balance Growth
- An Employee Loan booked in a Primary or Secondary number that is the Advisor's personal Mortgage will not count toward Lending Balance Growth.
- An Employee Loan booked in a JPN where the Employee Loan is a personal Mortgage for an Advisor who is a member of the JPN, the Advisor related to such personal Mortgage will not receive Lending Balance Growth credit. The remaining members of the JPN will receive credit toward Lending Balance Growth.

To determine 2018 Lending Balance Growth, the average of 2018 post-split monthly balance growth in LAL (excluding Letters of Credit), ECL, Tailored Lending, and Margin as of December 31, 2018 will be added to new Mortgages closed and disbursed by December 28, 2018 (excluding HELOC). At year-end, qualifying Lending Balance Growth is eligible for an award based on the below Lending Growth Award Schedule.

Lending Growth Award Schedule

SECTION 3: Other Programs

3.1 Capital Accumulation Program

The Capital Accumulation Program ("CAP") provides the opportunity for eligible Advisors (including Producing Branch Managers and Resident Managers) to defer a portion of 2018 monthly cash compensation on a pre-tax basis (up to 25%, in 5% increments) into Morgan Stanley stock units ("Basic Units") and receive a number of bonus stock units based on the amount of Basic Units awarded ("Bonus Units").

Advisors are eligible to participate in CAP for 2018 if they achieved a minimum Trailing 12-month Gross Revenue (through September 30th, 2017) of $400,000 and had a minimum of five years of LOS as of December 31st, 2017 (provided that, for Advisors who are Chairman's Club members as of December 2017, the minimum service requirement is three years).

Contribution elections, which cannot exceed $250,000 annually, or, for Chairman's Club members as of December 2017, $350,000 annually, must be made by the end of 2017.

Advisors who elect to participate in CAP will be awarded Bonus Units in an amount equal to either 25% (for Chairman's Club members as of December 2017) or 20% (for all other eligible Advisors) of the number of Basic Units awarded.

The Basic Units and Bonus Units will be granted on the 15th day of the month following the end of each calendar quarter, with the number of Basic Units awarded based on the amount of the deferral divided by the fair market value of a share of Morgan Stanley common stock on such date (which is generally the average of the closing prices of Morgan Stanley stock on each of the three month-ends preceding the grant date). Subject to the Advisor satisfying the terms and conditions of the award, the Basic Units will vest on the grant date, the Bonus Units will vest on April 15th, 2021, and the Basic Units and Bonus Units will convert to shares of Morgan Stanley common stock on April 15th, 2021.

Advisors must be continuously employed by the Firm through the grant date in order to be awarded the Basic Units and Bonus Units. Termination of employment for any reason prior to the Bonus Unit vesting date will generally result in the cancellation of all Bonus Units and, in general, the previously granted Basic Units will convert to shares of Morgan Stanley common stock on the original scheduled conversion date.

The Basic Units will not be subject to cancellation following grant, but Bonus Units will be subject to cancellation if the Advisor engages in certain prohibited activity prior to conversion as described in the award documentation. The stock units will also be subject to such other terms and conditions as set forth in the award documentation.

3.3 Business Development Allowance ("BDA") Program

Under the Business Development Allowance ("BDA") Program, eligible Advisors will have access to corporate funds for business development purposes[25], such as client entertainment, seminars and/or marketing. At year-end, any unused BDA will be canceled and will not carry over into the following year. BDA allocations are determined in January 2018 and are based on 2017 Gross Revenue and the following schedule:

Business Development Allowance Schedule

2017 Gross Revenue ($)	2018 Allowance ($)
10,000,000+	25,000
5,000,000–9,999,999	20,000
2,750,000–4,999,999	15,000
1,800,000–2,749,999	12,000
1,200,000–1,799,999	10,000
900,000–1,199,999	5,000
600,000–899,999	3,000
485,000–599,999	1,000
360,000–484,999	500
0–359,999	250

FAAs generating Gross Revenue will receive a BDA based on eligible Gross Revenue as per the policy above. FAAs who begin generating Gross Revenue in the current year will receive a pro-rated BDA based on the lowest revenue band.

The BDA allocation is subject to the Firm's policies and procedures for expenditures.

BDA Reallocation

During the AFG Election period in December 2017, qualifying Advisors on a Team will have the ability to:

- Transfer 2018 BDA to other Advisors on their Team and qualified exempt support staff employees[26]
- Transfer 2018 BDA to the Team BDA

Advisors on a Team will have the ability to aggregate a percentage of 2018 BDA for Team-approved business development purposes. Team BDA expenses are subject to the BDA and Team AFG guidelines.

Additional details pertaining to eligible expenses can be found in the 2018 Alternative Flexible Grid Policy and 2018 Wealth Management Expense Policy located on the 2018 Advisor Compensation website.

3.4 Alternative Flexible Grid ("AFG") Program

The Alternative Flexible Grid ("AFG") is a program through which participating Advisors, prior to the start of the calendar year, may elect an effective Credit Rate adjustment for the year and become eligible for certain additional Firm funds for expenditure on additional luxury resources[27]. With these additional Firm funds, the Advisor may direct the Firm to provide additional compensation to support staff as well as additional resources above those necessary to perform Advisor duties. In order to participate in the AFG Program, Advisors must have a minimum $200,000 in Trailing 12-month eligible Gross Revenue (excludes 0% Revenue).

Advisors should utilize the AFG worksheet prior to the start of the year to determine whether to participate and, if so, at what level. In this worksheet, the effective Credit Rate adjustment requested by the Advisor is calculated by determining elected additional support staff compensation contemplated by the Advisor and additional luxury business resources. With Branch Manager approval, this effective Credit Rate adjustment will be applied to transactions between January 1, 2018 through November 30, 2018. Only after the implementation of this Credit Rate adjustment will Incentive Compensation be determined for participating Advisors, as set forth in this Program.

The magnitude of the AFG effective Credit Rate adjustment elected will determine the AFG amount. This amount will enable the Advisor to direct the Firm to provide additional support staff compensation and additional luxury business resources. Any remaining balance at year-end will not be carried forward into the following year.

Standard Checkpoint: Advisors will be provided one checkpoint in August 2018, during which time they will be granted an open window to change their effective Credit Rate adjustment for the time remaining in the calendar year. If a change is made during the Standard Checkpoint, a new AFG worksheet must be completed.

Contingency Checkpoint: In the event that a support staff employee, who is part of an Advisor's team, terminates from the Firm, the Advisor may elect to open the checkpoint window before August and forgo the Standard Checkpoint. Use of this option requires the Advisor to verify support staff termination, is subject to Branch/Complex manager approval and requires a new AFG worksheet to be completed.

All AFG arrangements will be canceled at the end of the calendar year, and Advisors must re-elect for the following calendar year. No balance will be carried forward into the following calendar year.

Team AFG

Advisors on a Team where all Team members generate a minimum 80% of their Trailing 12-month Gross Revenue from Team JPN(s), and who individually satisfy the AFG qualifications, may be eligible for Team AFG.

Teams can direct the Firm to provide additional resources that will mutually benefit the Team. Team AFG expenses should exclude ineligible AFG expenses and individual expenses that do not benefit the Team.

Additional details on the 2018 AFG program can be found on the 2018 Advisor Compensation website.

Morgan Stanley Wealth Management provides one of the most comprehensive Advisor Compensation Plan, Growth Award and Recognition Programs in the securities industry.

This brochure summarizes the Morgan Stanley Wealth Management Advisor Compensation Plan, Growth Award and Recognition Programs in effect for 2018 unless otherwise noted. Morgan Stanley Wealth Management reserves the right to amend, modify, interpret or terminate all or any part of the Program for any year and at any time. Nothing in this brochure is a guarantee of continued employment or of any particular benefits or level of remuneration.

This Compensation Plan and the additional product guidelines and policies referenced in this Compensation Plan set forth guidelines only. Notwithstanding anything to the contrary contained in this Compensation Plan or elsewhere, Morgan Stanley Wealth Management has the sole discretion to determine whether to allocate Credit to an Advisor's Gross Revenue (or to provide compensation in any form) for any particular business and, if so, the amount of Credit to be allocated or the amount of compensation to be awarded, and further Morgan Stanley Wealth Management may adjust and/or decline to award future Credits towards Incentive Compensation where an Advisor has an unsatisfied obligation to the Firm. Under no circumstances is an Advisor eligible to receive any Credit to Gross Revenue or any compensation for any particular business unless and until Morgan Stanley Wealth Management receives the revenue associated with that business. Furthermore, if an Advisor is determined to have engaged in activity that is inconsistent with Morgan Stanley's expectations for good guardianship, or not in line with any policy, regulation or otherwise counter to the best interests of our clients, then such Advisor may be deemed, in Morgan Stanley's discretion, not to have qualified for compensation, growth awards or any bonus program listed herein. MORGAN STANLEY

2018 DISCRETIONARY RETENTION AWARDS
AWARD CERTIFICATE FOR STOCK UNITS

Morgan Stanley has awarded you retention stock units as part of your incentive compensation for services provided during 2018 and as an incentive for you to remain in Employment and provide services to the Firm through the Scheduled Vesting Date. This Award Certificate sets forth the general terms and conditions of your 2018 stock unit award. The number of stock units in your award has been communicated to you independently.

If you are employed outside the United States, you will also receive an "***International Supplement***" that contains supplemental terms and conditions for your 2018 stock unit award. You should read this Award Certificate in conjunction with the International Supplement, if applicable, in order to understand the terms and conditions of your stock unit award.

Your stock unit award is made pursuant to the Plan. References to "stock units" in this Award Certificate mean only those stock units included in your 2018 stock unit award, and the terms and conditions herein apply only to such award. If you receive any other award under the Plan or another equity compensation plan, it will be governed by the terms and conditions of the applicable award documentation, which may be different from those herein.

The purpose of the 2018 stock unit award is, among other things, to align your interests with the interests of the Firm and Morgan Stanley's stockholders, to reward you for your continued Employment and service to the Firm in the future and your compliance with the Firm's policies (including the Code of Conduct), to protect the Firm's interests in non-public, confidential and/or proprietary information, products, trade secrets, customer relationships, and other legitimate business interests, and to ensure an orderly transition of responsibilities. In view of these purposes, you will earn your 2018 stock unit award only if you (1) remain in continuous Employment through the Scheduled Vesting Date (subject to limited exceptions set forth below), (2) do not engage in any Prohibited Activity and (3) satisfy obligations you owe to the Firm as set forth in Section 10 below. Even if your award has vested, you will have no right to your award if you engage in any Prohibited Activity. As Morgan Stanley deems appropriate, it will require you to provide a written certification or other evidence, from time to time in its sole discretion, to confirm that no Prohibited Activity has occurred, including upon a termination of Employment and/or during a specified period of time prior to the Scheduled Conversion Date. If you fail to timely provide any required certification or other evidence, Morgan Stanley will cancel your award. It is your responsibility to provide the Executive Compensation Department with your up-to-date contact information.

Capitalized terms used in this Award Certificate that are not defined in the text have the meanings set forth in Section 20 below. Capitalized terms used in this Award Certificate that are not defined in the text or in Section 20 below have the meanings set forth in the Plan.

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

1. **Stock units generally.**

Each of your stock units corresponds to one share of Morgan Stanley common stock. A stock unit constitutes a contingent and unsecured promise of Morgan Stanley to pay you one share of Morgan Stanley common stock on the conversion date for the stock unit. As the holder of stock units, you have only the rights of a general unsecured creditor of Morgan Stanley. You will not be a stockholder with respect to the shares of Morgan Stanley common stock corresponding to your stock units unless and until your stock units convert to shares.

2. **Vesting schedule and conversion.**

(a) ***Vesting schedule.*** Except as otherwise provided in this Award Certificate, your stock units will vest on the Scheduled Vesting Date. Except as otherwise provided in this Award Certificate, your stock units will vest only if you continue to provide future services to the Firm by remaining in continuous Employment through the Scheduled Vesting Date and providing value added services to the Firm during this timeframe. The special vesting terms set forth in Sections 4, 5 and 6 of this Award Certificate apply (i) if your Employment terminates by reason of your death or Disability, (ii) upon your Retirement, (iii) if the Firm terminates your employment in an involuntary termination under the circumstances described in Section 5 or (iv) upon a Governmental Service Termination. Vested stock units remain subject to the cancellation and withholding provisions set forth in this Award Certificate.

(b) ***Conversion.*** Except as otherwise provided in this Award Certificate, your stock units will, to the extent vested, convert to shares of Morgan Stanley common stock on the Scheduled Conversion Date, with any fractional shares to be distributed in cash. The special conversion provisions set forth in Sections 4(a), 4(b), 4(d) and 6 of this Award Certificate apply (i) if your Employment terminates by reason of your death or you die after termination of your Employment, (ii) upon your Retirement under the circumstances set forth in Section 4(d) or (iii) upon your Governmental Service Termination or your employment at a Governmental Employer following your termination of employment with the Firm under circumstances set forth in Section 6(b).

The shares delivered upon conversion of stock units pursuant to this Section 2(b) will not be subject to any transfer restrictions, other than those that may arise under the securities laws, the Firm's policies or Section 10 below, or to cancellation under the circumstances set forth in Section 8(c).

(c) ***Accelerated conversion.*** Morgan Stanley shall have no right to accelerate the conversion of any of your stock units, except to the extent that such acceleration is not prohibited by Section 409A and would not result in your being required to recognize income for United States federal income tax purposes before your stock units convert to shares of Morgan Stanley common stock or your incurring additional tax or interest under Section 409A. If any stock units are converted to shares of Morgan Stanley common stock prior to the Scheduled Conversion Date pursuant to this Section 2(c), these shares may not be transferable and may remain subject to applicable vesting, cancellation and withholding provisions, as determined by Morgan Stanley.

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

(d) ***Rule of construction for timing of conversion.*** Whenever this Award Certificate provides for your stock units to convert to shares on the Scheduled Conversion Date or upon a different specified event or date, such conversion will be considered to have been timely made, and neither you nor any of your beneficiaries or your estate shall have any claim against the Firm for damages based on a delay in conversion of your stock units (or delivery of Morgan Stanley shares following conversion) and the Firm shall have no liability to you (or to any of your beneficiaries or your estate) in respect of any such delay, as long as conversion is made by December 31st of the year in which occurs the Scheduled Conversion Date or such other specified event or date or, if later, by the 15th day of the third calendar month following such specified event or date, or, in connection with any such conversion due to death, to the extent permissible under Section 409A, by the end of the calendar year following the year of your death. Similarly, neither you nor any of your beneficiaries or your estate shall have any claim against the Firm for damages, and the Firm shall have no liability to you (or to any of your beneficiaries or your estate), based on any acceleration of the conversion of your stock units pursuant to Section 2(c), as applicable.

3. Dividend equivalent reinvestment.

If Morgan Stanley pays a regular or ordinary dividend on its common stock, a dividend equivalent will be credited with respect to your stock units outstanding on the dividend record date and reinvested in the form of additional stock units. The additional number of stock units credited to you as a result of this dividend reinvestment shall equal:

(i) the cash dividend paid on one share of Morgan Stanley common stock, *multiplied by*

(ii) the number of stock units subject to your 2018 stock unit award on the applicable dividend record date; with the product of (i) and (ii), *divided by*

(iii) the fair market value of a share of Morgan Stanley common stock on the dividend payment date, as determined by Morgan Stanley in its sole discretion.

Morgan Stanley will credit the dividend equivalents when it pays the corresponding dividend on its common stock. The additional stock units credited to you as a result of the reinvestment of dividend equivalents will vest and convert at the same time as, and be subject to the same vesting and cancellation provisions set forth in this Award Certificate with respect to, the corresponding stock units, and references to "stock units" in this Award Certificate shall include such additional stock units credited to you as a result of the reinvestment of dividend equivalents described in this Section 3. The decision to pay a dividend and, if so, the amount of any such dividend, is determined by Morgan Stanley in its sole discretion. No dividend equivalents will be paid to you on any canceled stock units.

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

4. **Death, Disability and Retirement.**

The following special vesting and payment terms apply to your stock units:

(a) ***Death during Employment.*** If your Employment terminates due to death, all of your unvested stock units will vest on the date of your death. Your stock units will convert to shares of Morgan Stanley common stock and be delivered to the beneficiary you have designated pursuant to Section 12 or the legal representative of your estate, as applicable, upon your death, *provided* that your estate or beneficiary notifies the Firm of your death within 60 days following your death.

After your death, the cancellation provisions set forth in Section 8(c) will no longer apply, and the shares delivered upon conversion of stock units pursuant to this Section 4(a) will not be subject to any transfer restrictions (other than those that may arise under the securities laws or the Firm's policies).

(b) ***Death after termination of Employment.*** If you die after the termination of your Employment but prior to the Scheduled Conversion Date, any vested stock units that you held at the time of your death will convert to shares of Morgan Stanley common stock and be delivered to the beneficiary you have designated pursuant to Section 12 or the legal representative of your estate, as applicable, upon your death, *provided* that your estate or beneficiary notifies the Firm of your death within 60 days following your death.

After your death, the cancellation provisions set forth in Section 8 will no longer apply, and the shares delivered upon conversion of stock units pursuant to this Section 4(b) will not be subject to any transfer restrictions (other than those that may arise under the securities laws or the Firm's policies).

(c) ***Disability.*** If your Employment terminates due to Disability, all of your unvested stock units will vest on the date your Employment terminates. Your stock units will convert to shares of Morgan Stanley common stock on the Scheduled Conversion Date. The cancellation and withholding provisions set forth in this Award Certificate will continue to apply until the Scheduled Conversion Date.

(d) ***Retirement.*** If your Employment terminates as a result of your Retirement, and provided that, in the event the Firm terminates your employment under circumstances not involving any Prohibited Activity, you sign an agreement and release satisfactory to the Firm, (i) all of your unvested stock units will vest on the date your Employment terminates and (ii) your stock units will convert to shares of Morgan Stanley common stock, and the cancellation provisions will lift, on the Scheduled Conversion Date; *provided* that, if you satisfy the conditions for a Retirement upon your Separation from Service, 50% of your stock units will convert, and the cancellation provisions with respect to such units will lift, on the first business day of the month following the first anniversary of your Separation from Service and the remaining 50% of your stock units will convert, and the cancellation provisions with respect to such units will lift, on the first business day of the month following the second anniversary of your Separation from Service, subject to earlier conversion on the Scheduled Conversion Date. If you do not sign an agreement and release satisfactory to the Firm

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

within the timeframe set by the Firm in connection with your Retirement under the circumstances described in this Section 4(d), any stock units that were unvested immediately prior to your termination shall be canceled.

5. **Involuntary termination by the Firm.**

If the Firm terminates your employment under circumstances not involving any Prohibited Activity, your unvested stock units will vest on the date your employment with the Firm terminates and your stock units will convert to shares of Morgan Stanley common stock on the Scheduled Conversion Date, *provided* that you sign an agreement and release satisfactory to the Firm. If you do not sign such an agreement and release satisfactory to the Firm within the timeframe set by the Firm in connection with your involuntary termination as described in this Section 5, any stock units that were unvested immediately prior to your termination shall be canceled. The cancellation and withholding provisions set forth in this Award Certificate will continue to apply until the Scheduled Conversion Date.

6. **Governmental Service.**

(a) ***General treatment of awards upon Governmental Service Termination.*** If your Employment terminates in a Governmental Service Termination and not involving any Prohibited Activity, then, *provided* that you sign an agreement satisfactory to the Firm relating to your obligations pursuant to Section 6(c), all of your unvested stock units will vest on the date of your Governmental Service Termination. Your vested stock units will convert to shares of Morgan Stanley common stock on the date of your Governmental Service Termination.

(b) ***General treatment of vested awards upon acceptance of employment at a Governmental Employer following termination of Employment.*** If your Employment terminates other than in a Governmental Service Termination and not involving any Prohibited Activity and, following your termination of Employment, you accept employment with a Governmental Employer, then, *provided* that you sign an agreement satisfactory to the Firm relating to your obligations pursuant to Section 6(c), all of your outstanding vested stock units will convert to shares of Morgan Stanley common stock upon your commencement of such employment, *provided* you present the Firm with satisfactory evidence demonstrating that as a result of such employment the divestiture of your continued interest in Morgan Stanley equity awards or continued ownership of Morgan Stanley common stock is reasonably necessary to avoid the violation of U.S. federal, state or local or foreign ethics law or conflicts of interest law applicable to you at such Governmental Employer.

(c) ***Repayment obligation.*** If any Prohibited Activity occurs within the applicable period of time that would have resulted in cancellation of all or a portion of your stock units had they not converted to shares pursuant to Sections 6(a) or 6(b) above, you will be required to pay to Morgan Stanley an amount equal to:

(1) the number of stock units that would have been canceled upon the occurrence of such Prohibited Activity multiplied by the fair market value, determined using a valuation methodology established by Morgan Stanley, of Morgan Stanley

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

common stock on the date your stock units converted to shares of Morgan Stanley common stock; plus

(2) interest on the amount described in clause (1) above at the average rate of interest Morgan Stanley paid to borrow money from financial institutions during the period from the date of such conversion through the date preceding the payment date.

7. **Specified employees.**

Notwithstanding any other terms of this Award Certificate, if Morgan Stanley considers you to be one of its "specified employees" as defined in Section 409A at the time of your Separation from Service, any conversion of your stock units that otherwise would occur upon your Separation from Service will be delayed until the first business day following the date that is six months after your Separation from Service; *provided, however*, that in the event that your death, your Governmental Service Termination or your employment at a Governmental Employer following your termination of employment with the Firm under circumstances set forth in Section 6(b) occurs at any time after the Date of the Award, conversion and payment will be made in accordance with Section 4(a), 4(b) or 6, as applicable.

8. **Cancellation of awards under certain circumstances.**

(a) ***Cancellation of unvested awards.*** Your unvested stock units will be canceled if your Employment terminates for any reason other than death, Disability, a Retirement, an involuntary termination by the Firm described in Section 5 or a Governmental Service Termination.

(b) ***General treatment of vested awards.*** Except as otherwise provided in this Award Certificate, your vested stock units will convert to shares of Morgan Stanley common stock on the Scheduled Conversion Date. The cancellation and withholding provisions set forth in this Award Certificate will continue to apply until the Scheduled Conversion Date.

(c) ***Cancellation of awards under certain circumstances.*** This Section 8(c) is designed, among other things, to incentivize compliance with the Firm's policies (including the Code of Conduct), to protect the Firm's interests in non-public, confidential and/or proprietary information, products, trade secrets, customer relationships, and other legitimate business interests, and to ensure an orderly transition of responsibilities. This Section 8(c) shall apply notwithstanding any other terms of this Award Certificate (except where sections in this Award Certificate specifically provide that the cancellation events set forth in this Section 8(c) no longer apply).

Your stock units, even if vested, are not earned until the Scheduled Conversion Date (and until you satisfy all obligations you owe to the Firm as set forth in Section 10 below) and, unless prohibited by applicable law, will be canceled in full, or in the case of clause (3) of a Clawback Cancellation Event, in full or in part, until the Scheduled Conversion Date if any Prohibited Activity occurs. Although you will become the beneficial owner of shares underlying your stock units following conversion of your stock units, the Firm may retain custody of your shares following conversion of your stock units pending any investigation or other review that impacts the determination as to whether the stock units are cancellable and, in such an instance,

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

the shares underlying such stock units shall be forfeited in the event the Firm determines that the stock units were cancellable.

9. Tax and other withholding obligations.

Any vesting, whether on the Scheduled Vesting Date or some other date, of a stock unit award, and any conversion of a stock unit award or crediting of dividend equivalents, shall be subject to the Firm's withholding of all required United States federal, state, local and foreign income and employment/payroll taxes (including Federal Insurance Contributions Act taxes). You authorize the Firm to withhold such taxes from any payroll or other payment or compensation to you, including by canceling or accelerating payment of a portion of this award in an amount not to exceed such taxes imposed upon such vesting, conversion or crediting and any additional taxes imposed as a result of such cancellation or acceleration, and to take such other action as the Firm may deem advisable to enable it and you to satisfy obligations for the payment of withholding taxes and other tax obligations, assessments, or other governmental charges, whether of the United States or any other jurisdiction, relating to the vesting or conversion of your stock units or the crediting of dividend equivalents. However, the Firm may not deduct or withhold such sum from any payroll or any other payment or compensation (including from your award), except to the extent it is not prohibited by Section 409A and would not cause you to recognize income for United States federal income tax purposes before your stock units convert to shares of Morgan Stanley common stock or to incur interest or additional tax under Section 409A.

Pursuant to rules and procedures that Morgan Stanley establishes, you may elect to satisfy the tax or other withholding obligations arising upon conversion of your stock units by having Morgan Stanley withhold shares of Morgan Stanley common stock in an amount sufficient to satisfy the tax or other withholding obligations. Shares withheld will be valued using the fair market value of Morgan Stanley common stock on the date your stock units convert (or such other appropriate date determined by Morgan Stanley based on local legal, tax or accounting rules and practices) using a valuation methodology established by Morgan Stanley. In order to comply with applicable accounting standards or the Firm's policies in effect from time to time, Morgan Stanley may limit the amount of shares that you may have withheld.

10. Obligations you owe to the Firm.

As a condition to the earning, conversion or distribution of your award, the Firm may require you to pay such sum to the Firm as may be necessary to satisfy any obligation that you owe to the Firm. Notwithstanding any other provision of this Award Certificate, your award, even if vested or converted, is not earned until after such obligations and any tax withholdings or other deductions required by law are satisfied. Notwithstanding the foregoing, Morgan Stanley may not reduce the number of shares to be delivered upon conversion of your stock units or delay the payment of your award to satisfy obligations that you owe to the Firm except (i) to the extent authorized under Section 9, relating to tax and other withholding obligations or (ii) to the extent such reduction or delay is not prohibited by Section 409A and would not cause you to recognize income for United States federal income tax purposes before your stock units convert to shares of Morgan Stanley common stock or to incur additional tax or interest under Section 409A.

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

Morgan Stanley's determination of any amount that you owe the Firm shall be conclusive. The fair market value of Morgan Stanley common stock for purposes of the foregoing provisions shall be determined using a valuation methodology established by Morgan Stanley.

11. **Nontransferability.**

You may not sell, pledge, hypothecate, assign or otherwise transfer your award, other than as provided in Section 12 (which allows you to designate a beneficiary or beneficiaries in the event of your death) or by will or the laws of descent and distribution. This prohibition includes any assignment or other transfer that purports to occur by operation of law or otherwise. During your lifetime, payments relating to your award will be made only to you.

Your personal representatives, heirs, legatees, beneficiaries, successors and assigns, and those of Morgan Stanley, shall all be bound by, and shall benefit from, the terms and conditions of your award.

12. **Designation of a beneficiary.**

You may make a written designation of beneficiary or beneficiaries to receive all or part of your award to be delivered or paid under this Award Certificate in the event of your death. To make a beneficiary designation, you must complete and submit the Beneficiary Designation form on the Executive Compensation website.

Any shares that become deliverable upon your death, and as to which a designation of beneficiary is not in effect, will be distributed to your estate.

If you previously filed a designation of beneficiary form for your equity awards with the Executive Compensation Department, such form will also apply to all of your equity awards, including this award. You may replace or revoke your beneficiary designation at any time. If there is any question as to the legal right of any beneficiary to receive shares or payments under this award, Morgan Stanley may determine in its sole discretion to deliver the shares or make the payments in question to your estate. Morgan Stanley's determination shall be binding and conclusive on all persons and it will have no further liability to anyone with respect to this award.

13. **Ownership and possession.**

(a) ***Before conversion.*** Generally, you will not have any rights as a stockholder in the shares of Morgan Stanley common stock corresponding to your stock units unless and until your stock units convert to shares.

If Morgan Stanley contributes shares of Morgan Stanley common stock corresponding to your stock units to a grantor trust it has established, you may be permitted to direct the trustee how to vote the shares in the trust corresponding to your stock units. Voting rights, if any, are governed by the terms of the grantor trust and Morgan Stanley may amend any such voting rights, in its sole discretion, at any time. Morgan Stanley is under no obligation to contribute shares corresponding to stock units to a trust. If Morgan Stanley elects not to

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

contribute shares corresponding to your stock units to a trust, you will not have voting rights with respect to shares corresponding to your stock units until your stock units convert to shares.

(b) ***Following conversion.*** Subject to Section 8(c), following conversion of your stock units you will be the beneficial owner of the shares of Morgan Stanley common stock issued to you, and you will be entitled to all rights of ownership, including voting rights and the right to receive cash or stock dividends or other distributions paid on the shares.

(c) ***Custody of shares.*** Morgan Stanley may maintain possession of the shares subject to your award until such time as your shares are no longer subject to restrictions on transfer.

14. Securities law compliance matters.

Morgan Stanley may affix a legend to any stock certificates representing shares of Morgan Stanley common stock issued upon conversion of your stock units (and any stock certificates that may subsequently be issued in substitution for the original certificates). The legend will read substantially as follows:

> **THE SHARES REPRESENTED BY THIS STOCK CERTIFICATE WERE ISSUED PURSUANT TO THE MORGAN STANLEY EQUITY INCENTIVE COMPENSATION PLAN AND ARE SUBJECT TO THE TERMS AND CONDITIONS THEREOF AND OF AN AWARD CERTIFICATE FOR STOCK UNITS AND ANY SUPPLEMENT THERETO.**
>
> **THE SECURITIES REPRESENTED BY THIS STOCK CERTIFICATE MAY BE SUBJECT TO RESTRICTIONS ON TRANSFER BY VIRTUE OF THE SECURITIES ACT OF 1933.**
>
> **COPIES OF THE PLAN, THE AWARD CERTIFICATE FOR STOCK UNITS AND ANY SUPPLEMENT THERETO ARE AVAILABLE THROUGH THE EXECUTIVE COMPENSATION DEPARTMENT.**

Morgan Stanley may advise the transfer agent to place a stop order against such shares if it determines that such an order is necessary or advisable.

15. Compliance with laws and regulation.

Any sale, assignment, transfer, pledge, mortgage, encumbrance or other disposition of shares issued upon conversion of your stock units (whether directly or indirectly, whether or not for value, and whether or not voluntary) must be made in compliance with any applicable constitution, rule, regulation or policy of any of the exchanges or associations or other institutions with which the Firm or a Related Employer has membership or other privileges, and any applicable law or applicable rule or regulation of any governmental agency, self-regulatory organization or state or federal regulatory body.

16. No entitlements.

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

(a) ***No right to continued Employment.*** This award is not an employment agreement, and nothing in this Award Certificate, the International Supplement, if applicable, or the Plan shall alter your status as an "at-will" employee of the Firm or your employment status at a Related Employer. None of this Award Certificate, the International Supplement, if applicable, or the Plan shall be construed as guaranteeing your employment by the Firm or a Related Employer, or as giving you any right to continue in the employ of the Firm or a Related Employer, during any period (including without limitation the period between the Date of the Award and the Scheduled Vesting Date or Scheduled Conversion Date, or any portion of any of these periods), nor shall they be construed as giving you any right to be reemployed by the Firm or a Related Employer following any termination of Employment.

(b) ***No right to future awards.*** This award, and all other awards of stock units and other equity-based awards, are discretionary. This award does not confer on you any right or entitlement to receive another award of stock units or any other equity-based award at any time in the future or in respect of any future period.

(c) ***No effect on future employment compensation.*** Morgan Stanley has made this award to you in its sole discretion. This award does not confer on you any right or entitlement to receive compensation in any specific amount, a stock unit award or any other award for any future period, and does not diminish in any way the Firm's discretion to determine the amount, if any, of future bonuses or other compensation. This award is not part of your base salary or wages and will not be taken into account in determining any other employment-related rights you may have, such as rights to pension or severance pay.

17. **Consents under local law.**

Your award is conditioned upon the making of all filings and the receipt of all consents or authorizations required to comply with, or required to be obtained under, applicable local law.

18. **Award modification.**

Morgan Stanley reserves the right to modify or amend unilaterally the terms and conditions of your award, without first asking your consent, or to waive any terms and conditions that operate in favor of Morgan Stanley. These amendments may include (but are not limited to) changes that Morgan Stanley considers necessary or advisable as a result of changes in any, or the adoption of any new, Legal Requirement. Morgan Stanley may not modify your award in a manner that would materially impair your rights in your award without your consent; *provided, however*, that Morgan Stanley may, but is not required to, without your consent, amend or modify your award in any manner that Morgan Stanley considers necessary or advisable to (i) comply with any Legal Requirement, (ii) ensure that your award does not result in an excise or other supplemental tax on the Firm under any Legal Requirement, or (iii) ensure that your award is not subject to United States federal, state or local income tax or any equivalent taxes in territories outside the United States prior to conversion of your stock units to shares or delivery of such shares following conversion. Morgan Stanley will notify you of any amendment of your award that affects your rights. Any amendment or waiver of a provision of this Award Certificate (other than any amendment or waiver applicable to all recipients generally), which

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

amendment or waiver operates in your favor or confers a benefit on you, must be in writing and signed by the Chief Human Resources Officer (or if such position no longer exists, by the holder of an equivalent position) to be effective.

19. Governing law.

This Award Certificate and the related legal relations between you and Morgan Stanley will be governed by and construed in accordance with the laws of the State of New York, without regard to any conflicts or choice of law, rule or principle that might otherwise refer the interpretation of the award to the substantive law of another jurisdiction.

MORGAN STANLEY

MORGAN STANLEY COMPENSATION INCENTIVE PLAN

2018 DISCRETIONARY RETENTION AWARDS
AWARD CERTIFICATE

Morgan Stanley has granted you an award under the Morgan Stanley Compensation Incentive Plan (the "***Plan***") as part of your incentive compensation for services provided during 2018 and as an incentive for you to remain in Employment and provide services to the Firm through the Scheduled Vesting Date. This Award Certificate sets forth the general terms and conditions of your 2018 award under the Plan. The initial value of your 2018 award has been communicated to you independently.

If you are employed outside the United States, you will also receive an "***International Supplement***" that contains supplemental terms and conditions for your 2018 award. You should read this Award Certificate in conjunction with the International Supplement, if applicable, and the Plan in order to understand the terms and conditions of your 2018 award.

Your 2018 award is made pursuant to the Plan. References to Applicable Account Value in this Award Certificate mean only the Applicable Account Value related to your 2018 award, and the terms and conditions herein apply only to such award. If you receive any other award under the Plan or another incentive compensation plan, it will be governed by the terms and conditions of the applicable award documentation, which may be different from those herein.

The purposes of the 2018 award are, among other things, to facilitate the allocation of a portion of your above-base compensation for 2018 to the notional investment opportunities afforded by the Plan, to reward you for your continued Employment and service to the Firm in the future and your compliance with the Firm's policies (including the Code of Conduct), to protect the Firm's interests in non-public, confidential and/or proprietary information, products, trade secrets, customer relationships, and other legitimate business interests, and to ensure an orderly transition of responsibilities. In view of these purposes, you will earn your 2018 award only if you (1) remain in continuous Employment through the Scheduled Vesting Date (subject to limited exceptions set forth below), (2) do not engage in any Prohibited Activity and (3) satisfy obligations you owe to the Firm as set forth in Section 9 below. Even if your award has vested, you will have no right to your award if you engage in any Prohibited Activity. As Morgan Stanley deems appropriate, Morgan Stanley will require you to provide a written certification or other evidence, from time to time in its sole discretion, to confirm that no Prohibited Activity has occurred, including upon a termination of Employment and/or during a specified period of time prior to the Scheduled Distribution Date. If you fail to provide any required certification or other evidence, Morgan Stanley will cancel your award. It is your responsibility to provide the Executive Compensation Department with your up-to-date contact information.

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

Capitalized terms used in this Award Certificate that are not defined in the text have the meanings set forth in Section 16 below. Capitalized terms used in this Award Certificate that are not defined in the text or in Section 16 below have the meanings set forth in the Plan.

1. **Your award generally.**

(a) ***Applicable Account Value.*** This Award Certificate uses the term "Applicable Account Value" to refer to your 2018 award under the Plan and the notional return (positive or negative) thereon based on the performance of the Notional Investments to which your Account is notionally allocated. If you receive another award under the Plan (for example, an award for a future year), your total Account Value under the Plan will include the Applicable Account Value of your 2018 award and the applicable Account Value of such other award(s).

(b) ***Notional allocation of Account.*** The notional allocation of your Applicable Account Value is subject to the ultimate discretion of the Firm and is made exclusively for the purpose of determining your Applicable Account Value from time to time in accordance with the Plan. You may notionally allocate your Applicable Account Value to any one fund, or any combination of funds, offered as Notional Investments under the Plan with respect to your 2018 award.

2. **Vesting schedule and payment.**

(a) ***Vesting schedule.*** Except as otherwise provided in this Award Certificate, your Applicable Account Value will vest on the Scheduled Vesting Date. Except as otherwise provided in this Award Certificate, your Applicable Account Value will vest only if you continue to provide future services to the Firm by remaining in continuous Employment through the Scheduled Vesting Date and providing value added services to the Firm during this timeframe. The special vesting terms set forth in Sections 3, 4 and 5 of this Award Certificate apply (i) if your Employment terminates by reason of your death or Disability, (ii) upon your Retirement, (iii) if the Firm terminates your employment in an involuntary termination under the circumstances described in Section 4 or (iv) upon a Governmental Service Termination. The vested portion of your Applicable Account Value remains subject to the cancellation and withholding provisions set forth in this Award Certificate.

(b) ***Payment.*** Except as otherwise provided in this Award Certificate, your Applicable Account Value will, to the extent vested, be paid in cash (minus applicable tax and other withholding liabilities) on the Scheduled Distribution Date; *provided* that, subject to Section 2(d), your Applicable Account Value may be paid to you following the Scheduled Distribution Date on the next administratively practicable payroll date. The special payment provisions set forth in Sections 3(a), 3(b), 3(d) and 5 of this Award Certificate apply (i) if your Employment terminates by reason of your death or you die after termination of your Employment, (ii) upon your Retirement under the circumstances set forth in Section 3(d) or (iii) upon your Governmental Service Termination or your employment at a Governmental Employer following your termination of employment with the Firm under circumstances set forth in Section 5(b).

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

(c) ***Accelerated payment.*** Morgan Stanley shall have no right to accelerate the payment of any portion of your Applicable Account Value, except to the extent that such acceleration is not prohibited by Section 409A and would not result in your being required to recognize income for United States federal income tax purposes prior to the distribution of your Applicable Account Value or your incurring additional tax or interest under Section 409A. If any portion of your Applicable Account Value is paid prior to the Scheduled Distribution Date pursuant to this Section 2(c), Morgan Stanley may condition such payment on your agreement that if you engage in any Prohibited Activity within the applicable period of time that would have resulted in cancellation of all or a portion of your Applicable Account Value (had it not been paid pursuant to this Section 2(c)), you will be required to repay to Morgan Stanley an amount equal to the payment you received (before taking account of any withholding) in respect of the portion of your Applicable Account Value that would have been canceled upon the occurrence of such Prohibited Activity, plus interest on such amount at the average rate of interest Morgan Stanley paid to borrow money from financial institutions during the period from the date such portion of your Applicable Account Value was paid through the date preceding the repayment date.

(d) ***Rule of construction for timing of payment.*** Whenever this Award Certificate provides for all or a portion of your Applicable Account Value to be paid on the Scheduled Distribution Date or upon a different specified event or date, such payment will be considered to have been timely made, and neither you nor any of your beneficiaries or your estate shall have any claim against the Firm for damages based on a delay in the payment of your Applicable Account Value, and the Firm shall have no liability to you (or to any of your beneficiaries or your estate) in respect of any such delay, as long as payment is made by December 31st of the year in which occurs the Scheduled Distribution Date or such other specified event or date or, if later, by the 15th day of the third calendar month following such specified event or date, or, in connection with any such payment due to death, to the extent permissible under Section 409A, by the end of the calendar year following the year of your death. Similarly, neither you nor any of your beneficiaries or your estate shall have any claim against the Firm for damages, and the Firm shall have no liability to you (or to any of your beneficiaries or your estate), based on any acceleration of the payment of your Applicable Account Value pursuant to Section 2(c).

3. <u>Death, Disability and Retirement</u>.

The following special vesting and payment terms apply to your award:

(a) ***Death during Employment.*** If your Employment terminates due to death, the unvested portion of your Applicable Account Value will vest on the date of your death. Your Applicable Account Value will be paid to the beneficiary you have designated pursuant to Section 11 or the legal representative of your estate, as applicable, upon your death, *provided* that your estate or beneficiary notifies the Firm of your death within 60 days following your death. After your death, the cancellation provisions set forth in Section 7(e) will no longer apply.

(b) ***Death after termination of Employment.*** If you die after the termination of your Employment but prior to the Scheduled Distribution Date, the vested portion of your Applicable Account Value that you held at the time of your death will be paid to the beneficiary

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

you have designated pursuant to Section 11 or the legal representative of your estate, as applicable, upon your death, *provided* that your estate or beneficiary notifies the Firm of your death within 60 days following your death. After your death, the cancellation provisions set forth in Section 7(c) will no longer apply.

(c) ***Disability.*** If your Employment terminates due to Disability, your unvested Applicable Account Value will vest on the date your Employment terminates. Your Applicable Account Value will be paid on the Scheduled Distribution Date. The cancellation and withholding provisions set forth in this Award Certificate will continue to apply until the Scheduled Distribution Date.

(d) ***Retirement.*** If your Employment terminates as a result of your Retirement, and provided that, in the event the Firm terminates your employment under circumstances not involving any Prohibited Activity, you sign an agreement and release satisfactory to the Firm, (i) your unvested Applicable Account Value will vest on the date your Employment terminates and (ii) your Applicable Account Value will be paid, and the cancellation provisions will lift, on the Scheduled Distribution Date; *provided* that, if you satisfy the conditions for a Retirement upon your Separation from Service, 50% of your Applicable Account Value will be paid, and the cancellation provisions with respect to such amounts will lift, on the first anniversary of your Separation from Service and the remaining portion of your Applicable Account Value will be paid, and the cancellation provisions with respect to such amounts will lift, on the second anniversary of your Separation from Service, subject to earlier payment on the Scheduled Distribution Date. If you do not sign an agreement and release satisfactory to the Firm within the timeframe set by the Firm in connection with your Retirement under the circumstances described in this Section 3(d), any portion of your Applicable Account Value that was unvested immediately prior to your termination shall be canceled.

4. **Involuntary termination by the Firm.**

If the Firm terminates your employment under circumstances not involving any Prohibited Activity, your unvested Applicable Account Value will vest on the date your employment with the Firm terminates and your Applicable Account Value will be paid on the Scheduled Distribution Date, *provided* that you sign an agreement and release satisfactory to the Firm. If you do not sign such an agreement and release satisfactory to the Firm within the timeframe set by the Firm in connection with your involuntary termination as described in this Section 4, any portion of your Applicable Account Value that was unvested immediately prior to your termination shall be canceled. The cancellation and withholding provisions set forth in this Award Certificate will continue to apply until the Scheduled Distribution Date.

5. **Governmental Service.**

(a) ***General treatment of awards upon Governmental Service Termination.*** If your Employment terminates in a Governmental Service Termination and not involving any Prohibited Activity, then, *provided* that you sign an agreement satisfactory to the Firm relating to your obligations pursuant to Section 5(c), your unvested Applicable Account Value will vest on the date of your Governmental Service Termination. Your vested Applicable Account Value will be paid on the date of your Governmental Service Termination.

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

(b) ***General treatment of vested awards upon acceptance of employment at a Governmental Employer following termination of Employment.*** If your Employment terminates other than in a Governmental Service Termination and not involving any Prohibited Activity and, following your termination of Employment, you accept employment with a Governmental Employer, then, *provided* that you sign an agreement satisfactory to the Firm relating to your obligations pursuant to Section 5(c), your outstanding vested Applicable Account Value will be paid upon your commencement of such employment, *provided* you present the Firm with satisfactory evidence demonstrating that as a result of such employment the divestiture of your continued interest in your Applicable Account Value is reasonably necessary to avoid the violation of U.S. federal, state or local or foreign ethics law or conflicts of interest law applicable to you at such Governmental Employer.

(c) ***Repayment obligation.*** If any Prohibited Activity occurs within the applicable period of time that would have resulted in cancellation of all or a portion of your Applicable Account Value had it not been paid pursuant to Sections 5(a) or 5(b) above, you will be required to repay to Morgan Stanley the amount distributed to you pursuant to Sections 5(a) or 5(b) above that would have been canceled upon the occurrence of such Prohibited Activity (before taking account of any withholding), plus interest on such amount at the average rate of interest Morgan Stanley paid to borrow money from financial institutions during the period from the date of such payment through the date preceding the repayment date.

6. **Specified employees.**

Notwithstanding any other terms of this Award Certificate, if Morgan Stanley considers you to be one of its "specified employees" as defined in Section 409A at the time of your Separation from Service, payment of any portion of your Applicable Account Value that otherwise would be made upon your Separation from Service will be delayed until the first business day following the date that is six months after your Separation from Service; *provided, however*, that in the event that your death, your Governmental Service Termination or your employment at a Governmental Employer following your termination of employment with the Firm under circumstances set forth in Section 5(b) occurs at any time after the Date of the Award, payment will be made in accordance with Section 3(a), 3(b) or 5, as applicable.

7. **Cancellation of Applicable Account Value under certain circumstances.**

(a) ***Cancellation of unvested Applicable Account Value.*** Any unvested portion of your Applicable Account Value will be canceled if your Employment terminates for any reason other than death, Disability, a Retirement, an involuntary termination by the Firm described in Section 4 or a Governmental Service Termination.

(b) ***General treatment of vested Applicable Account Value.*** Except as otherwise provided in this Award Certificate, your vested Applicable Account Value will be paid on the Scheduled Distribution Date. The cancellation and withholding provisions set forth in this Award Certificate will continue to apply until the Scheduled Distribution Date.

(c) ***Cancellation of Applicable Account Value under certain circumstances.*** This Section 7(c) is designed, among other things, to incentivize compliance with the Firm's

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

policies (including the Code of Conduct), to protect the Firm's interests in non-public, confidential and/or proprietary information, products, trade secrets, customer relationships, and other legitimate business interests, and to ensure an orderly transition of responsibilities. This Section 7(c) shall apply notwithstanding any other terms of this Award Certificate (except where sections in this Award Certificate specifically provide that the cancellation events set forth in this Section 7(c) no longer apply).

Your Applicable Account Value, even if vested, is not earned until the Scheduled Distribution Date (and until you satisfy all obligations you owe to the Firm as set forth in Section 9 below) and, unless prohibited by applicable law, will be canceled in full, or in the case of clause (3) of a Clawback Cancellation Event, in full or in part, until the Scheduled Distribution Date if any Prohibited Activity occurs.

The Firm may retain custody of your Applicable Account Value following the Scheduled Distribution Date pending any investigation or other review that impacts the determination as to whether your Applicable Account Value is cancellable and, in such an instance, your Applicable Account Value shall be forfeited in the event the Firm determines that the Applicable Account Value was cancellable.

8. Tax and other withholding obligations.

Any vesting, whether on the Scheduled Vesting Date or some other date, of all or a portion of your Applicable Account Value, and any payment of all or a portion of your Applicable Account Value shall be subject to the Firm's withholding of all required United States federal, state, local and foreign income and employment/payroll taxes (including Federal Insurance Contributions Act taxes). You authorize the Firm to withhold such taxes from any payroll or other payment or compensation to you, including by canceling or accelerating payment of a portion of your Applicable Account Value in an amount not to exceed such taxes imposed upon such vesting or distribution and any additional taxes imposed as a result of such cancellation or acceleration, and to take such other action as the Firm may deem advisable to enable it and you to satisfy obligations for the payment of withholding taxes and other tax obligations, assessments, or other governmental charges, whether of the United States or any other jurisdiction, relating to the vesting or payment of your Applicable Account Value. However, the Firm may not deduct or withhold such sum from any payroll or any other payment or compensation (including from your Applicable Account Value), except to the extent it is not prohibited by Section 409A and would not cause you to recognize income for United States federal income tax purposes prior to the distribution of your Applicable Account Value or to incur interest or additional tax under Section 409A.

9. Obligations you owe to the Firm.

As a condition to the earning, payment or distribution of your award, the Firm may require you to pay such sum to the Firm as may be necessary to satisfy any obligation that you owe to the Firm. Notwithstanding any other provision of this Award Certificate, your award, even if vested, is not earned until after such obligations and any tax withholdings or other deductions required by law are satisfied. Notwithstanding the foregoing, Morgan Stanley may not reduce the amount of your Applicable Account Value to be distributed to satisfy obligations

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

that you owe to the Firm except (i) to the extent authorized under Section 8, relating to tax and other withholding obligations or, otherwise, (ii) to the extent such reduction is not prohibited by Section 409A and would not cause you to recognize income for United States federal income tax purposes prior to the distribution of your Applicable Account Value or to incur additional tax or interest under Section 409A. Morgan Stanley's determination of any amount that you owe the Firm shall be conclusive.

10. Nontransferability.

You may not sell, pledge, hypothecate, assign or otherwise transfer your Applicable Account Value, other than as provided in Section 11 (which allows you to designate a beneficiary or beneficiaries in the event of your death) or by will or the laws of descent and distribution. This prohibition includes any assignment or other transfer that purports to occur by operation of law or otherwise. During your lifetime, payments relating to your Applicable Account Value will be made only to you.

Your personal representatives, heirs, legatees, beneficiaries, successors and assigns, and those of Morgan Stanley, shall all be bound by, and shall benefit from, the terms and conditions of your award.

11. Designation of a beneficiary.

You may make a written designation of beneficiary or beneficiaries to receive all or part of the amounts to be distributed in respect of your Applicable Account Value in the event of your death. To make a beneficiary designation, you must complete and submit the Beneficiary Designation form on the Executive Compensation website.

Any portion of your Applicable Account Value that becomes payable upon your death, and as to which a designation of beneficiary is not in effect, will be distributed to your estate.

If you previously filed a designation of beneficiary form for your award(s) under the Plan with the Executive Compensation Department, such form will also apply to all of your awards under the Plan, including this 2018 award. You may replace or revoke your beneficiary designation at any time. If there is any question as to the legal right of any beneficiary to receive your Applicable Account Value, Morgan Stanley may determine in its sole discretion to distribute the amounts in question to your estate. Morgan Stanley's determination shall be binding and conclusive on all persons and it will have no further liability to anyone with respect to such amounts.

12. No entitlements.

(a) ***No right to continued Employment.*** This award is not an employment agreement, and nothing in this Award Certificate, the International Supplement, if applicable, or the Plan shall alter your status as an "at-will" employee of the Firm or your employment status at a Related Employer. None of this Award Certificate, the International Supplement, if applicable, or the Plan shall be construed as guaranteeing your employment by the Firm or a Related

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

Employer, or as giving you any right to continue in the employ of the Firm or a Related Employer, during any period (including without limitation the period between the Date of the Award and the Scheduled Vesting Date or Scheduled Distribution Date, or any portion of any of these periods), nor shall they be construed as giving you any right to be reemployed by the Firm or a Related Employer following any termination of Employment.

(b) ***No right to future awards.*** This award, and all other awards under the Plan, are discretionary. This award does not confer on you any right or entitlement to receive another award under the Plan or any other award under any other incentive compensation plan of Morgan Stanley at any time in the future or in respect of any future period.

(c) ***No effect on future employment compensation.*** Morgan Stanley has made this award to you in its sole discretion. This award does not confer on you any right or entitlement to receive compensation in any specific amount for any future year, and does not diminish in any way the Firm's discretion to determine the amount, if any, of your compensation. This award is not part of your base salary or wages and will not be taken into account in determining any other employment-related rights you may have, such as rights to pension or severance pay.

13. **Consents under local law.**

Your award is conditioned upon the making of all filings and the receipt of all consents or authorizations required to comply with, or required to be obtained under, applicable local law.

14. **Award modification.**

Morgan Stanley reserves the right to modify or amend unilaterally the terms and conditions of your award, without first asking your consent, or to waive any terms and conditions that operate in favor of Morgan Stanley. These amendments may include (but are not limited to) changes that Morgan Stanley considers necessary or advisable as a result of changes in any, or the adoption of any new, Legal Requirement. Morgan Stanley may not modify your award in a manner that would materially impair your rights in your award without your consent; *provided, however,* that Morgan Stanley may, but is not required to, without your consent, amend or modify your award in any manner that Morgan Stanley considers necessary or advisable to (i) comply with any Legal Requirement, (ii) ensure that your award does not result in an excise or other supplemental tax on the Firm under any Legal Requirement, or (iii) ensure that your award is not subject to United States federal, state or local income tax or any equivalent taxes in territories outside the United States prior to payment or distribution. Morgan Stanley will notify you of any amendment of your award that affects your rights. Any amendment or waiver of a provision of this Award Certificate (other than any amendment or waiver applicable to all recipients generally), which amendment or waiver operates in your favor or confers a benefit on you, must be in writing and signed by the Chief Human Resources Officer (or if such position no longer exists, by the holder of an equivalent position) to be effective.

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

15. Governing law.

This Award Certificate and the related legal relations between you and Morgan Stanley will be governed by and construed in accordance with the laws of the State of New York, without regard to any conflicts or choice of law, rule or principle that might otherwise refer the interpretation of the award to the substantive law of another jurisdiction.

16. Defined terms.

For purposes of this Award Certificate, the following terms shall have the meanings set forth below:

(a) "***Board***" means the Board of Directors of Morgan Stanley.

(b) "***Cause***" means:

2018 DISCRETIONARY RETENTION AWARDS
STOCK UNIT SUMMARY DESCRIPTION

The following is an abbreviated general description of the terms and conditions of Morgan Stanley 2018 equity retention awards of stock units under the Morgan Stanley Equity Incentive Compensation Plan. This summary does not address all 2018 stock unit award features. Your 2018 Award Certificate provides a full explanation of the terms and conditions of your 2018 stock unit award, which may differ from the description in this summary. Unless otherwise defined herein, all capitalized terms shall have the meanings set forth in your 2018 Award Certificate. If there is any conflict between the terms of this summary and those of your 2018 Award Certificate, the latter will control. You will also be provided with a prospectus and tax supplement that contain important information about your award.

IF YOU ARE A NON-U.S. BASED EMPLOYEE, PLEASE REFER TO YOUR 2018 INTERNATIONAL SUPPLEMENT FOR OTHER RELEVANT TERMS OF YOUR AWARD

Earning Award	You have no right to your 2018 stock unit award until it is "earned." Generally, to earn your award, you must (1) remain in continuous Employment through the Scheduled Vesting Date, (2) even if your award is vested, not engage in any activity that constitutes Prohibited Activity and (3) satisfy any obligations you owe to the Firm. The vesting requirements and Prohibited Activities are summarized below and set forth in full in the 2018 Award Certificate that will be provided to you.
Initial Value	The initial value of your 2018 stock unit award, and the number of stock units included in your award, will be communicated to you independently.
Number of Stock Units	The number of stock units comprising your 2018 award is calculated using the "fair market value" of Morgan Stanley common stock of **$43.2946** (the volume weighted average price of Morgan Stanley stock on January 18, 2019).
Scheduled Vesting Date	Generally, the stock units included in the award will vest on **January 27, 2023** (the "***Scheduled Vesting Date***"). Except as otherwise provided in your Award Certificate, your 2018 stock unit award will vest only if you remain in continuous Employment through the Scheduled Vesting Date.
Conversion of Stock Units to Shares	Generally, the stock units included in the award will convert to shares (to the extent vested) on **January 27, 2023**; *provided, however*, that if you remain employed by the Firm on such date and the specified date does not occur during an access employee trading window period, then pursuant to the Section 409A of the Internal Revenue Code ("***Section 409A***") rule of construction incorporated into your award, the conversion of stock units will be delayed until the first day of the next access employee trading window period (but in no event beyond December 31, 2023). January 27, 2023, or the later date to which conversion of stock units may be delayed as set forth above, is referred to as the "***Scheduled Conversion Date***". Until conversion, stock units constitute a contingent and unsecured promise of Morgan Stanley to pay the unit holder shares of Morgan Stanley common stock.
Transfer Restrictions	You may not sell, pledge or otherwise transfer stock units for any reason. Shares received from stock unit conversions may be sold, pledged or transferred, subject to compliance with applicable securities laws and Firm policies.

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

Although you will become the beneficial owner of shares underlying your stock units following conversion of your stock units, the Firm may retain custody of your shares following conversion pending any investigation or other review that impacts the determination as to whether the stock units are cancellable under the circumstances set forth below.

Dividends and Dividend Equivalents

If Morgan Stanley pays a regular or ordinary dividend on its common stock, dividend equivalents will be credited with respect to your stock units outstanding on the dividend record date and reinvested in the form of additional stock units based on the fair market value of Morgan Stanley common stock, as determined by Morgan Stanley. The additional stock units credited to you as a result of the reinvestment of dividend equivalents will vest and convert at the same time as, and under the same terms and conditions applicable to, the underlying stock units (and only if your stock units vest and convert). Shares received from stock unit conversions will receive dividends in the same manner as shares held by other shareholders. There can be no assurance that Morgan Stanley will pay dividends in the future and no assurance concerning the amount of such dividends, if any.

Termination of Employment

If your Employment terminates other than for death, Disability, Retirement, involuntary termination not involving any Prohibited Activity or Governmental Service Termination, your unvested stock units will be canceled immediately.

The special provisions that apply if your Employment terminates for death, Disability, Retirement, involuntary termination not involving any Prohibited Activity, or Governmental Service Termination are described below.

Death

If you die while Employed, unvested stock units will vest. Stock units will convert and be paid to your beneficiary or estate upon your death, *provided* that your estate or beneficiary notifies the Firm of your death within 60 days following your death.

If you die after your termination of Employment but prior to the Scheduled Conversion Date, vested stock units that you held as of the date of your death will convert and be paid to your beneficiary or estate upon your death, *provided* that your estate or beneficiary notifies the Firm of your death within 60 days following your death.

Disability

If your Employment terminates due to Disability, then, subject to the cancellation provisions described below, unvested stock units will vest on your termination date and stock units will convert, and cancellation provisions will lift, on the Scheduled Conversion Date. Vesting of stock units upon, and conversion of stock units following, Disability is conditioned on your not engaging in any Prohibited Activity.

"***Disability***" is defined as a medically determinable physical or mental incapacity which is reasonably expected to be of long-term duration or result in death. The determination of the Firm shall be conclusive on all parties as to whether you are disabled.

Retirement

If your Employment terminates as a result of your Retirement, then, subject to the cancellation provisions described below and provided that, in the event the Firm terminates your employment under circumstances not involving any Prohibited Activity, you sign an agreement and release satisfactory to the Firm, unvested stock units will vest upon your termination date and stock units will convert, and cancellation provisions will lift, on the Scheduled Conversion Date; *provided that*, if you satisfy the conditions for a Retirement upon your "Separation from Service" (as defined in Section 409A), stock units will convert, and cancellation provisions will lift, 50% on the first business day of the month following the first anniversary of your "Separation from Service" and the remaining 50% on the first business day of the month

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

following the second anniversary of your "Separation from Service", subject to earlier conversion on the Scheduled Conversion Date. Vesting of stock units upon, and conversion of stock units following, Retirement is conditioned on your not engaging in any Prohibited Activity.

Your termination will be treated as a "***Retirement***" if your termination is other than as a result of your death or Governmental Service Termination and your Employment terminates on or after the date:

a) You have attained age 65;

b) You qualify for the payment of any retirement benefit under Section 5 or Section 8 of the Morgan Stanley Employee Retirement Plan (as in effect on December 31, 2017), whether or not you are a participant therein; or

c) Otherwise specified by written agreement between the Firm and you (as in effect on December 31, 2017, or if you were hired by the Firm after such date, as in effect 30 days following your commencement of employment).

Involuntary Termination not Involving Any Prohibited Activity

If the Firm terminates your employment under circumstances not involving any Prohibited Activity, then, *provided* that you sign an agreement and release satisfactory to the Firm, your unvested stock units will vest on the date of your termination. Subject to the cancellation provisions described below, your stock units will convert, and cancellation provisions will lift, on the Scheduled Conversion Date.

Governmental Service

If your Employment terminates in a Governmental Service Termination and not involving any Prohibited Activity, then, *provided* that you sign an agreement satisfactory to the Firm relating to your repayment obligations summarized below, unvested stock units will vest, and stock units will convert, on the date of your Governmental Service Termination.

If your Employment terminates other than in a Governmental Service Termination and not involving any Prohibited Activity and, following your termination of Employment, you accept employment with a Governmental Employer, then, provided that you sign an agreement satisfactory to the Firm relating to your repayment obligations summarized below, your outstanding vested stock units will convert to shares upon your commencement of such employment, *provided* you present the Firm with satisfactory evidence that the divestiture of your continued interest in Morgan Stanley equity awards or continued ownership of Morgan Stanley common stock is reasonably necessary to avoid the violation of U.S. federal, state or local or foreign ethics law or conflicts of interest law applicable to you at such Governmental Employer.

If your stock units convert due to this provision and you engage in any Prohibited Activity within the period of time that would have resulted in cancellation of all or a portion of your stock units, you will be required to pay to Morgan Stanley an amount equal to the sum of the number of stock units that would have been canceled upon the occurrence of such Prohibited Activity multiplied by the fair market value of Morgan Stanley common stock on the date your stock units converted, plus interest on such amount.

"***Governmental Service Termination***" means the termination of your Employment due to your commencement of employment at a Governmental Employer; *provided* that you have presented the Firm with satisfactory evidence demonstrating that as a result of such new employment, the divestiture of your continued interest in Morgan Stanley equity awards or continued ownership of Morgan Stanley common stock is reasonably necessary to avoid the violation of U.S. federal, state or local or foreign ethics law or conflicts of interest law applicable to you at such Governmental Employer.

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

Specified Employees

If Morgan Stanley considers you to be one of its "specified employees" as defined in Section 409A at the time of your Separation from Service other than in the event of your employment at a Governmental Employer under circumstances described above, conversion of your stock units that otherwise would occur upon your Separation from Service will be delayed until the first business day following the date that is six months after your Separation from Service (subject to earlier conversion in the event of your death or your employment at a Governmental Employer under the circumstances described above).

Cancellation

Prior to vesting, awards are cancelable for termination of Employment, other than due to death, Disability, Retirement, involuntary termination not involving any Prohibited Activity, or Governmental Service Termination.

All vested and unvested stock units will also be subject to cancellation in full, or in the case of a Cancellation Clawback Event described in clause (c) below, in full or in part, subject to applicable law, until the Scheduled Conversion Date if you engage in any Prohibited Activity, as defined below.

"***Prohibited Activity***" means you: (1) without the written consent of the Firm, at any time prior to the Scheduled Conversion Date, (i) use for the benefit of any person or entity other than the Firm, or disclose to any third party Non-Public, Privileged or Confidential Information or Trade Secrets, (ii) remove Non-Public, Privileged or Confidential Information or Trade Secrets from the premises of the Firm in either original or copied form, except in the ordinary course of conducting business for, and subject to approval by, the Firm, (iii) engage in any other conduct in violation of any contractual or legal obligations to the Firm, or (iv) following termination of Employment, fail or refuse to cooperate with or assist the Firm in connection with any investigation, regulatory matter, lawsuit or arbitration in which the Firm is a subject, target or party and as to which you may have pertinent information; or (2) (i) are terminated for Cause, or (ii) engage in conduct constituting Cause (either during or following Employment and whether or not your Employment has been terminated as of the Scheduled Conversion Date), or (iii) following termination of your Employment, the Firm determines that you could have been terminated for Cause; or (3) without the written consent of the Firm, before the earlier to occur of one year after your termination of Employment due to your resignation and the Scheduled Conversion Date, enter into an employment or consulting relationship with a firm offering Competitive Services to work, within one hundred (100) miles from any office to which you were assigned within the last three years preceding termination, in any capacity in a retail branch or in a retail sales or product representative position; or (4) without the written consent of the Firm, before the earlier to occur of two years after termination and the Scheduled Conversion Date, solicit or attempt to solicit, directly or indirectly, for a firm engaging in Competitive Services (with or without the use or disclosure of Non-Public, Privileged or Confidential Information or Trade Secrets) (i) any of the Firm's customers who were serviced by you while employed by the Firm; or (ii) any of the Firm's customers whose names or accounts became known to you while employed by the Firm and who live or work within a radius of one hundred (100) miles from any office to which you were assigned within the last three years preceding termination; or (5) without the written consent of the Firm, before the earlier to occur of three years after termination and the Scheduled Conversion Date, solicit or attempt to solicit, directly or indirectly, any Firm employee for employment or other business relationship with any other firm engaging in Competitive Services (if the employee became known to you as a result of being employed by the Firm); or (6) without the written consent of the Firm, make Defamatory or Disparaging Comments or Unauthorized Disclosures about the Firm; or (7) engage in a Clawback Cancellation Event.

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

"***Cause***" means:

(x) any act or omission which constitutes a breach by you of your obligations to the Firm including, without limitation, (i) your failure to comply with any notice or non-solicitation restrictions that may be applicable to you or (ii) your failure to comply with the Firm's compliance, ethics or risk management standards, or your failure or refusal to perform satisfactorily any duties reasonably required of you; or

(y) your commission of any dishonest or fraudulent act, or any other act or omission, which has caused or may reasonably be expected to cause injury to the interest or business reputation of the Firm; or

(z) a violation of any securities, commodities or banking laws, any rules or regulations issued pursuant to such laws, or rules and regulations of any securities or commodities exchange or association of which the Firm is a member or of any policy of the Firm relating to compliance with any of the foregoing;

provided, that an act or omission shall constitute "Cause" for purposes of this definition if the Firm determines, in its sole discretion, that such action or omission is described in clause (c) of Clawback Cancellation Event below and is deliberate, intentional or willful.

"***Competitive Services***" means services with respect to any line of business in which the Firm is engaged, including, but not limited to: securities, commodities, financial futures, insurance, tax advantaged investments and mutual funds.

You will be deemed to have made "***Defamatory or Disparaging Comments***" about the Firm if, at any time, you make, publish, or issue, or cause to be made, published or issued, in any medium whatsoever to any person or entity external to the Firm, any derogatory, defamatory or disparaging statement regarding the Firm, its businesses or strategic plans, products, practices, policies, personnel or any other Firm matter. Nothing contained herein is intended to prevent you from testifying truthfully or making truthful statements or submissions in litigation or other legal, administrative or regulatory proceedings or internal investigations.

You will be deemed to have made "***Unauthorized Disclosures***" about the Firm if, while Employed or following termination of Employment, without having first received written authorization from the Firm, you disclose, or participate in the disclosure of or allow disclosure of, any information about the Firm or its present or former clients, customers, executives, officers, directors, or other employees or Board members, or its business or operations, or legal matters involving the Firm and resolution or settlement thereof, or any aspects of your Employment with the Firm or termination of such Employment (which, for the avoidance of doubt, does not prevent you from confirming your employment status with the Firm), whether written, oral or in electronic format, to any reporter, author, producer or similar person or entity or to any general public media in any form (including, without limitation, books, articles or writings of any other kind, as well as film, videotape, television or other broadcasts, audio tape, electronic/Internet or blog format or any other medium).

"***Clawback Cancellation Event***" means you take any action, or you fail to take any action (including with respect to direct supervisory responsibilities), where such action or omission:

(a) causes a restatement of the Firm's consolidated financial results;

(b) constitutes a violation by you of the Firm's Global Risk Management Principles, Policies and Standards (where prior authorization and approval of appropriate senior management was not obtained) whether such action results in a favorable or unfavorable impact to the Firm's consolidated financial results; or

(c) causes a loss in the current year on a trade or transaction originating in the current year

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

or in any prior year for which revenue was recognized and which was a factor in your award determination, and violated internal control policies that resulted from your:

(i) violation of business unit, product or desk specific risk parameters;

(ii) use of an incorrect valuation model, method, or inputs for transactions subject to the "STAR" approval process;

(iii) failure to perform appropriate due diligence prior to a trade or transaction or failure to provide critical information known at the time of the transaction that might negatively affect the valuation of the transaction; or

(iv) failure to timely monitor or escalate to management a loss position pursuant to applicable policies and procedures.

In the event that the Firm determines, in its sole discretion, that your action or omission is as described in clause (c) and you do not engage in any other cancellation or clawback event described herein, the number of stock units will be reduced by a fraction, the numerator of which is the amount of the pre-tax loss, and the denominator of which is the total revenue originally recognized by the Firm which was a factor in your award determination.

Covenants and Certification

In the event you fail to acknowledge, within the time and in the manner prescribed by the Firm, a notice and non-solicitation or other restrictive covenant agreement required of you by the Firm, the Firm has a right to cancel your award.

You may be required to provide Morgan Stanley with a written certification or other evidence that it deems appropriate, in its sole discretion, to confirm that no Prohibited Activity has occurred. If you fail to submit a timely certification or evidence, Morgan Stanley will cancel your award.

Tax Withholding

Vesting of your award, conversion of your stock units and crediting or payment of your dividend equivalents, whether on the Scheduled Vesting Date or Scheduled Conversion Date or some other date, shall be subject to withholding of all required United States federal, state, local and foreign income and employment/payroll taxes (including Federal Insurance Contributions Act taxes). You authorize the Firm to withhold such taxes from any payroll or other payment or compensation owed to you, including by canceling or accelerating payment of a portion of your award in an amount not to exceed such taxes imposed upon vesting, conversion, crediting or payment and any additional taxes imposed as a result of such cancellation or acceleration, subject to limitations imposed under Section 409A.

Award Modification

Morgan Stanley generally has the right to modify or amend the terms of your award without your consent. However, Morgan Stanley may not make a modification that would materially impair your rights in such award without your consent unless such modification is necessary or advisable (i) to comply with any law, regulation, ruling, judicial decision, accounting standard or similar pronouncement or (ii) to ensure that awards are not subject to federal, state or local income tax prior to payment.

Timing of Conversion (Section 409A Rule of Construction)

With respect to any provision for vested stock units to convert to shares of Morgan Stanley common stock on a specified event or date, such conversion will be considered to have been timely made as long as conversion is made by December 31st of the year in which occurs the specified event or date or, if later, by the 15th day of the third calendar month following such specified event or date, or, in connection with any such conversion due to death, to the extent permissible under Section 409A, by the end of the calendar year following the year of your death.

MSCIP AWARD SUMMARY DESCRIPTION

The following is an abbreviated general description of the terms and conditions of 2018 awards under the Morgan Stanley Compensation Incentive Plan ("*MSCIP*"). This summary does not address all 2018 MSCIP award features. Your 2018 Award Certificate provides a full explanation of the terms and conditions of your 2018 MSCIP award, which may differ from the description in this summary. Unless otherwise defined herein, all capitalized terms shall have the meanings set forth in your 2018 Award Certificate. If there is any conflict between the terms of this summary and those of your 2018 Award Certificate, the latter will control. You will also be provided with a tax supplement that contains important information about your award.

IF YOU ARE A NON-U.S. BASED EMPLOYEE, PLEASE REFER TO YOUR 2018 INTERNATIONAL SUPPLEMENT FOR OTHER RELEVANT TERMS OF YOUR AWARD

Earning Award

You have no right to your 2018 MSCIP award until it is "earned." Generally, to earn your award, you must (1) remain in continuous Employment through the Scheduled Vesting Date, (2) even if your award is vested, not engage in any activity that constitutes Prohibited Activity and (3) satisfy any obligations you owe to the Firm. The vesting requirements and Prohibited Activities are summarized below, and set forth in full in the 2018 Award Certificate that will be provided to you.

Initial Value

The initial value of your 2018 MSCIP award will be communicated to you independently.

Account

Your 2018 MSCIP award will be credited to a bookkeeping account in your name as of January 18, 2019. Pursuant to the section "Notional Allocation of Account" below, if a menu of notional investments is made available by Morgan Stanley, your account will be credited (or debited) with notional returns on the notional investments to which your account is allocated. This summary uses the term "***Applicable Account Value***" to refer to your 2018 MSCIP award and if applicable, any notional return (positive or negative) thereon.

Notional Allocation of Account

You may be permitted to notionally allocate your account among a menu of notional investments selected by Morgan Stanley in its sole discretion. If such allocation is made available, the notional value of your account will track the performance of the referenced funds underlying the notional investments that you select and any such allocation (and any subsequent reallocations, if applicable) will be subject to the rules and notional allocation requirements of your 2018 MSCIP award as in effect from time to time.

If applicable, the value of your account is subject at all times to risk based upon the performance of the notional investments to which your account is allocated. If the value of the notional investments to which your account is allocated decreases, the value of your account may be lower than your original award amounts. The Firm may provide you with a description of the referenced funds and their historical returns, as applicable, but this is, of course, no guide or representation as to their future performance.

The performance of your notional investments, if any, and the value of your account, will be impacted by all of the fees and costs of the referenced funds underlying your notional investments, including fees which the funds may pay to the Firm for services the Firm provides to the referenced funds.

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

Notwithstanding the foregoing, the notional allocation of your account will be at the sole discretion of Morgan Stanley.

Scheduled Vesting Date

Generally, your Applicable Account Value will vest on **January 27, 2025** ("***Scheduled Vesting Date***"). Except as otherwise provided in your Award Certificate, your Applicable Account Value will vest only if you remain in continuous Employment through the Scheduled Vesting Date.

Scheduled Distribution Date

Generally, the Firm will pay you your Applicable Account Value, to the extent vested, in cash (minus applicable tax and other withholding liabilities) on **January 27, 2025** ("***Scheduled Distribution Date***"). Until payment, your award constitutes a contingent and unsecured promise of the Firm to pay you your vested Applicable Account Value on the Scheduled Distribution Date. Notwithstanding the foregoing, subject to the "Timing of Payment" provision below, your Applicable Account Value may be paid following the Scheduled Distribution Date on the next administratively practicable payroll date.

Termination of Employment

If your Employment terminates other than for death, Disability, Retirement, involuntary termination not involving any Prohibited Activity, or Governmental Service Termination, your unvested Applicable Account Value will be canceled immediately.

The special provisions that apply if your Employment terminates for death, Disability, Retirement, involuntary termination not involving any Prohibited Activity, or Governmental Service Termination are described below.

Death

If you die while Employed, the unvested portion of your Applicable Account Value will vest. Your Applicable Account Value will be paid to your beneficiary or estate upon your death, *provided* that your estate or beneficiary notifies the Firm of your death within 60 days following your death.

If you die after your termination of Employment but prior to the Scheduled Distribution Date, the vested portion of your Applicable Account Value that you held as of the date of your death will be paid to your beneficiary or estate upon your death, *provided* that your estate or beneficiary notifies the Firm of your death within 60 days following your death.

Disability

If your Employment terminates due to Disability, then, subject to the cancellation provisions described below, your unvested Applicable Account Value will vest on your termination date and your Applicable Account Value will be paid on the Scheduled Distribution Date. Vesting of your Applicable Account Value upon, and distribution of your Applicable Account Value following, Disability is conditioned on your not engaging in any Prohibited Activity.

"***Disability***" is defined as a medically determinable physical or mental incapacity which is reasonably expected to be of long-term duration or result in death. The determination of the Firm shall be conclusive on all parties as to whether you are disabled.

Retirement

If your Employment terminates as a result of your Retirement, then, subject to the cancellation provisions described below and provided that, in the event the Firm terminates your employment under circumstances not involving Prohibited Activity, you sign an agreement and release satisfactory to the Firm, your unvested Applicable Account Value will vest upon your termination date and your Applicable Account Value will be paid on the Scheduled Distribution Date; *provided* that, if you satisfy the conditions for a Retirement upon your "Separation from Service" (as defined in Section 409A), 50% of your vested Applicable Account Value will be paid, and cancellation provisions will lift, on the first anniversary of your "Separation from Service" and the remaining vested portion of your Applicable Account Value will be paid, and cancellation provisions will lift, on the second anniversary of your "Separation from Service", subject to earlier

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

payment on the Scheduled Distribution Date. Vesting of your Applicable Account Value upon, and distribution of your Applicable Account Value following, Retirement is conditioned on your not engaging in any Prohibited Activity.

Your termination will be treated as a "***Retirement***" if your termination is other than as a result of your death or Governmental Service Termination and your Employment terminates on or after the date:

a) You have attained age 65;
b) You qualify for the payment of any retirement benefit under Section 5 or Section 8 of the Morgan Stanley Employee Retirement Plan (as in effect on December 31, 2017), whether or not you are a participant therein; or
c) Otherwise specified by written agreement between the Firm and you (as in effect on December 31, 2017, or if you were hired by the Firm after such date, as in effect 30 days following your commencement of employment).

Involuntary Termination not Involving Any Prohibited Activity

If the Firm terminates your employment under circumstances not involving any Prohibited Activity, then, *provided* that you sign an agreement and release satisfactory to the Firm, your unvested Applicable Account Value will vest on the date of your termination. Subject to the cancellation provisions described below, your Applicable Account Value will be paid, and cancellation provisions will lift, on the Scheduled Distribution Date.

Governmental Service

If your Employment terminates in a Governmental Service Termination and not involving any Prohibited Activity, then, *provided* that you sign an agreement satisfactory to the Firm relating to your repayment obligations summarized below, your unvested Applicable Account Value will vest, and your Applicable Account Value will be paid, on the date of your Governmental Service Termination.

If your Employment terminates other than in a Governmental Service Termination and not involving any Prohibited Activity and, following your termination of Employment, you accept employment with a Governmental Employer, then, *provided* that you sign an agreement satisfactory to the Firm relating to your repayment obligations summarized below, your outstanding vested Applicable Account Value will be paid upon your commencement of such employment, *provided* you present the Firm with satisfactory evidence that the divestiture of your continued interest in your Applicable Account Value is reasonably necessary to avoid the violation of U.S. federal, state or local or foreign ethics law or conflicts of interest law applicable to you at such Governmental Employer.

If your Applicable Account Value is paid due to this provision and you engage in any Prohibited Activity within the period of time that would have resulted in cancellation of all or a portion of your Applicable Account Value, you will be required to pay to Morgan Stanley the amount distributed to you in accordance with this provision plus interest on such amount.

"***Governmental Service Termination***" means the termination of your Employment due to your commencement of employment at a Governmental Employer; *provided* that you have presented the Firm with satisfactory evidence demonstrating that as a result of such new employment, the divestiture of your continued interest in your Applicable Account Value is reasonably necessary to avoid the violation of U.S. federal, state or local or foreign ethics law or conflicts of interest law applicable to you at such Governmental Employer.

Specified Employees

If Morgan Stanley considers you to be one of its "specified employees" as defined in Section 409A of the Internal Revenue Code ("***Section 409A***") at the time of your Separation from Service other than in the event of your employment at a Governmental Employer under

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

circumstances described above, payment of your Applicable Account Value that otherwise would occur upon your Separation from Service will be delayed until the first business day following the date that is six months after your Separation from Service (subject to earlier payment in the event of your death or your employment at a Governmental Employer under the circumstances described above).

Cancellation

Prior to vesting, awards are cancelable for termination of Employment, other than due to death, Disability, Retirement, involuntary termination not involving any Prohibited Activity, or Governmental Service Termination.

The Firm may retain custody of your Applicable Account Value following the Scheduled Distribution Date pending any investigation or other review that impacts the determination as to whether your Applicable Account Value is cancellable under the circumstances set forth herein.

Your entire unpaid vested and unvested Applicable Account Value is also subject to cancellation in full, or in the case of a Cancellation Clawback Event described in clause (c) below, in full or in part, subject to applicable law, until the Scheduled Distribution Date if you engage in any Prohibited Activity, as defined below.

"***Prohibited Activity***" means you (1) without the written consent of the Firm, at any time prior to the Scheduled Distribution Date, (i) use for the benefit of any person or entity other than the Firm, or disclose to any third party Non-Public, Privileged or Confidential Information or Trade Secrets, (ii) remove Non-Public, Privileged or Confidential Information or Trade Secrets from the premises of the Firm in either original or copied form, except in the ordinary course of conducting business for, and subject to approval by, the Firm, (iii) engage in any other conduct in violation of any contractual or legal obligations to the Firm or (iv) following termination of Employment, fail or refuse to cooperate with or assist the Firm in connection with any investigation, regulatory matter, lawsuit or arbitration in which the Firm is a subject, target or party and as to which you may have pertinent information; or (2) (i) are terminated for Cause, or (ii) engage in conduct constituting Cause (either during or following Employment and whether or not your Employment has been terminated as of the Scheduled Distribution Date), or (iii) following termination of your Employment, the Firm determines that you could have been terminated for Cause; or (3) without the written consent of the Firm, before the earlier to occur of one year after your termination of Employment due to your resignation and the Scheduled Distribution Date, enter into an employment or consulting relationship with a firm offering Competitive Services to work, within one hundred (100) miles from any office to which you were assigned within the last three years preceding termination, in any capacity in a retail branch or in a retail sales or product representative position; or (4) without the written consent of the Firm, before the earlier to occur of two years after termination and the Scheduled Distribution Date, solicit or attempt to solicit, directly or indirectly, for a firm engaging in Competitive Services (with or without the use or disclosure of Non-Public, Privileged or Confidential Information or Trade Secrets) (i) any of the Firm's customers who were serviced by you while employed by the Firm; or (ii) any of the Firm's customers whose names or accounts became known to you while employed by the Firm and who live or work within a radius of one hundred (100) miles from any office to which you were assigned within the last three years preceding termination; or (5) without the written consent of the Firm, before the earlier to occur of three years after termination and the Scheduled Distribution Date, solicit or attempt to solicit, directly or indirectly, any Firm employee for employment or other business relationship with any other firm engaging in Competitive Services (if the employee became known to you as a result of being employed by the Firm); or (6) without the written consent of the Firm, make Defamatory or Disparaging Comments or Unauthorized Disclosures about the Firm; or (7) engage in a Clawback Cancellation Event.

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

"***Competitive Services***" means services with respect to any line of business in which the Firm is engaged, including, but not limited to: securities, commodities, financial futures, insurance, tax advantaged investments and mutual funds.

"*Cause*" means:

(x) any act or omission which constitutes a breach by you of your obligations to the Firm including, without limitation, (i) your failure to comply with any notice or non-solicitation restrictions that may be applicable to you or (ii) your failure to comply with the Firm's compliance, ethics or risk management standards, or your failure or refusal to perform satisfactorily any duties reasonably required of you; or

(y) your commission of any dishonest or fraudulent act, or any other act or omission, which has caused or may reasonably be expected to cause injury to the interest or business reputation of the Firm; or

(z) a violation of any securities, commodities or banking laws, any rules or regulations issued pursuant to such laws, or rules and regulations of any securities or commodities exchange or association of which the Firm is a member or of any policy of the Firm relating to compliance with any of the foregoing;

provided, that an act or omission shall constitute "Cause" for purposes of this definition if the Firm determines, in its sole discretion, that such action or omission is described in clause (c) of Clawback Cancellation Event below and is deliberate, intentional or willful.

You will be deemed to have made "***Defamatory or Disparaging Comments***" about the Firm if, at any time, you make, publish, or issue, or cause to be made, published or issued, in any medium whatsoever to any person or entity external to the Firm, any derogatory, defamatory or disparaging statement regarding the Firm, its businesses or strategic plans, products, practices, policies, personnel or any other Firm matter. Nothing contained herein is intended to prevent you from testifying truthfully or making truthful statements or submissions in litigation or other legal, administrative or regulatory proceedings or internal investigations.

You will be deemed to have made "***Unauthorized Disclosures***" about the Firm if, while Employed or following termination of Employment, without having first received written authorization from the Firm, you disclose, or participate in the disclosure of or allow disclosure of, any information about the Firm or its present or former clients, customers, executives, officers, directors, or other employees or Board members, or its business or operations, or legal matters involving the Firm and resolution or settlement thereof, or any aspects of your Employment with the Firm or termination of such Employment (which, for the avoidance of doubt, does not prevent you from confirming your employment status with the Firm), whether written, oral or in electronic format, to any reporter, author, producer or similar person or entity or to any general public media in any form (including, without limitation, books, articles or writings of any other kind, as well as film, videotape, television or other broadcasts, audio tape, electronic/Internet or blog format or any other medium).

"***Clawback Cancellation Event***" means you take any action, or you fail to take any action (including with respect to direct supervisory responsibilities), where such action or omission:

(a) causes a restatement of the Firm's consolidated financial results;

(b) constitutes a violation by you of the Firm's Global Risk Management Principles, Policies and Standards (where prior authorization and approval of appropriate senior management was not obtained) whether such action results in a favorable or unfavorable impact to the Firm's consolidated financial results; or

(c) causes a loss in the current year on a trade or transaction originating in the current year or

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

in any prior year for which revenue was recognized and which was a factor in your award determination, and violated internal control policies that resulted from your:

(i) violation of business unit, product or desk specific risk parameters;

(ii) use of an incorrect valuation model, method, or inputs for transactions subject to the "STAR" approval process;

(iii) failure to perform appropriate due diligence prior to a trade or transaction or failure to provide critical information known at the time of the transaction that might negatively affect the valuation of the transaction; or

(iv) failure to timely monitor or escalate to management a loss position pursuant to applicable policies and procedures.

In the event that the Firm determines, in its sole discretion, that your action or omission is as described in clause (c) and you do not engage in any other cancellation or clawback event described herein, the award will be reduced by a fraction, the numerator of which is the amount of the pre-tax loss, and the denominator of which is the total revenue originally recognized by the Firm which was a factor in your award determination.

Covenants and Certification

In the event you fail to acknowledge, within the time and in the manner prescribed by the Firm, a notice and non-solicitation or other restrictive covenant agreement required of you by the Firm, the Firm has a right to cancel your award.

You may be required to provide Morgan Stanley with a written certification or other evidence that it deems appropriate, in its sole discretion, to confirm that no Prohibited Activity has occurred. If you fail to submit a timely certification or evidence, Morgan Stanley will cancel your award.

Tax Withholding

Vesting and payment of your Applicable Account Value, whether on the Scheduled Vesting Date or Scheduled Distribution Date or some other date, shall be subject to withholding of all required United States federal, state, local and foreign income and employment/payroll taxes (including Federal Insurance Contributions Act taxes). You authorize the Firm to withhold such taxes from any payroll or other payment or compensation owed to you, including by canceling or accelerating payment of a portion of your Applicable Account Value in an amount not to exceed such taxes imposed upon vesting or payment and any additional taxes imposed as a result of such cancellation or acceleration, subject to limitations imposed under Section 409A.

Award Modification

Morgan Stanley generally has the right to modify or amend the terms of your award without your consent. However, Morgan Stanley may not make a modification that would materially impair your rights in such award without your consent unless such modification is necessary or advisable (i) to comply with any law, regulation, ruling, judicial decision, accounting standard or similar pronouncement or (ii) to ensure that awards are not subject to federal, state or local income tax prior to payment.

Timing of Payment (Section 409A Rule of Construction)

With respect to any provision that provides for payment on a specified event or date, such payment will be considered to have been timely made as long as payment is made by December 31st of the year in which occurs the specified event or date or, if later, by the 15th day of the third calendar month following such specified event or date, or, in connection with any such payment due to death, to the extent permissible under Section 409A, by the end of the calendar year following the year of your death.

U.S. Taxation

In general, when your Applicable Account Value is paid, the amount of the payment will be taxed as ordinary income. FICA and Medicare tax apply at the time your Applicable Account Value is deemed to vest for tax purposes. Please refer to the tax supplement for a fuller

Introduction

The Morgan Stanley Wealth Management Financial Advisor / Private Wealth Advisor (collectively "Advisor" or "FA/PWA") Compensation Plan provides Advisors with a guaranteed salary as well as an opportunity to generate significant additional income through Incentive Compensation and the Lending Growth Award. The Compensation Plan determines Financial Advisor and Private Wealth Advisor compensation.

Incentive Compensation

Incentive Compensation is comprised of Cash Credits that are awarded and paid in cash each month, and Deferred Credits that accrue each month and are granted as a deferred compensation award in early 2020.

Lending Growth Award Program

The 2019 Lending Growth Award Program rewards Advisors who help clients meet their Lending needs by offering suitable and appropriate solutions in a manner that is consistent with their clients' investment objectives. The Lending Growth Award Program is calculated annually and will be awarded in early 2020.

CONFIDENTIAL PURSUANT TO 5 U.S.C. § 552 & 29 C.F.R. § 70.26

If the Advisor reaches a new Trailing 12-month Gross Revenue band in the Credit Rate Schedule during a given month-end evaluation, the Credit Rate of the newly achieved Trailing 12-month Gross Revenue band will apply to Creditable Revenue generated in the subsequent month only and will NOT apply retroactively.

If the Advisor reaches a new LOS band in the Credit Rate schedule during a given month-end evaluation, the Credit Rate of the newly achieved LOS band will apply to Creditable Revenue generated in the subsequent month and will NOT apply retroactively. The new LOS band will be used prospectively to determine applicable monthly Credit Rates.

Advisors with an LOE of nine or more years as of January 1st, 2019 who have less than $300,000 in Trailing 12-month Gross Revenue, as of December 2018 month-end, will receive a monthly Credit Rate of 20.0% until the Advisor generates Trailing 12-month Gross Revenue of $300,000 or more during a given month-end evaluation, at which point the Advisor's monthly Credit Rate will be determined by the Credit Rate Schedule for the remainder of the calendar year.

Total Credits = Cash Credits + Deferred Credits

1.2.2 Deferred Compensation

A percentage of Total Credits is allocated to the Advisor as Deferred Credits based on a Deferral Ratio determined by the Advisor's Trailing 12-month Gross Revenue, as shown in the Deferral Ratio Schedule below.

Deferred Credits = Total Credits × Deferral Ratio

Deferral Ratio Schedule

Trailing 12-month Gross Revenue ($)	Deferral Ratio (%)
5,000,000+	15.5
3,300,000–4,999,999	14.0
2,750,000–3,299,999	13.0
